**Reclusive
Breasts!!!!**

Two months after the East-West War.

Setouchi Keijo Training Academy

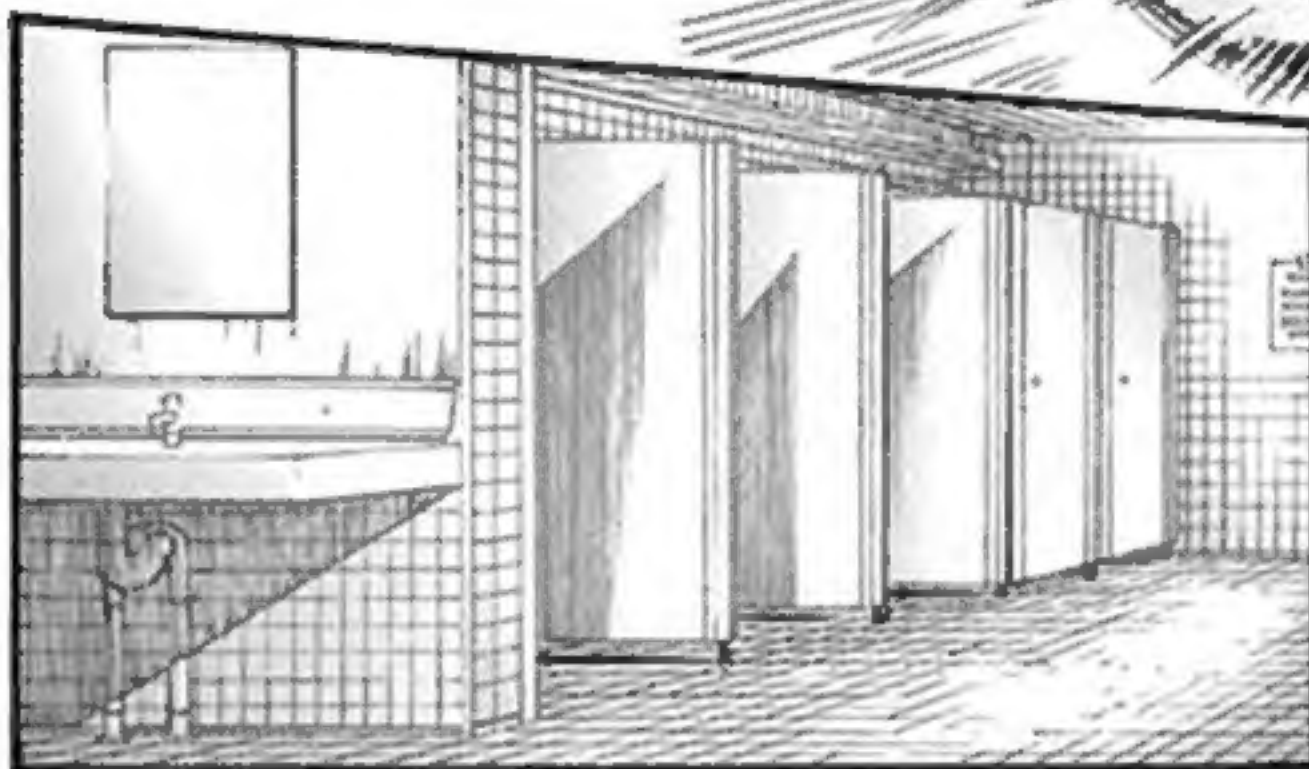

Seriously, after we won the East-West War, we've been getting pretty crazy!

She's super hyped up!

Whew~ *Breasting* with the heavy *Mark VI* ball...

※ Breasting: Jugging while using breasts.

Yeah, you're right. Even I...

Book: Breast Scientific Message Care

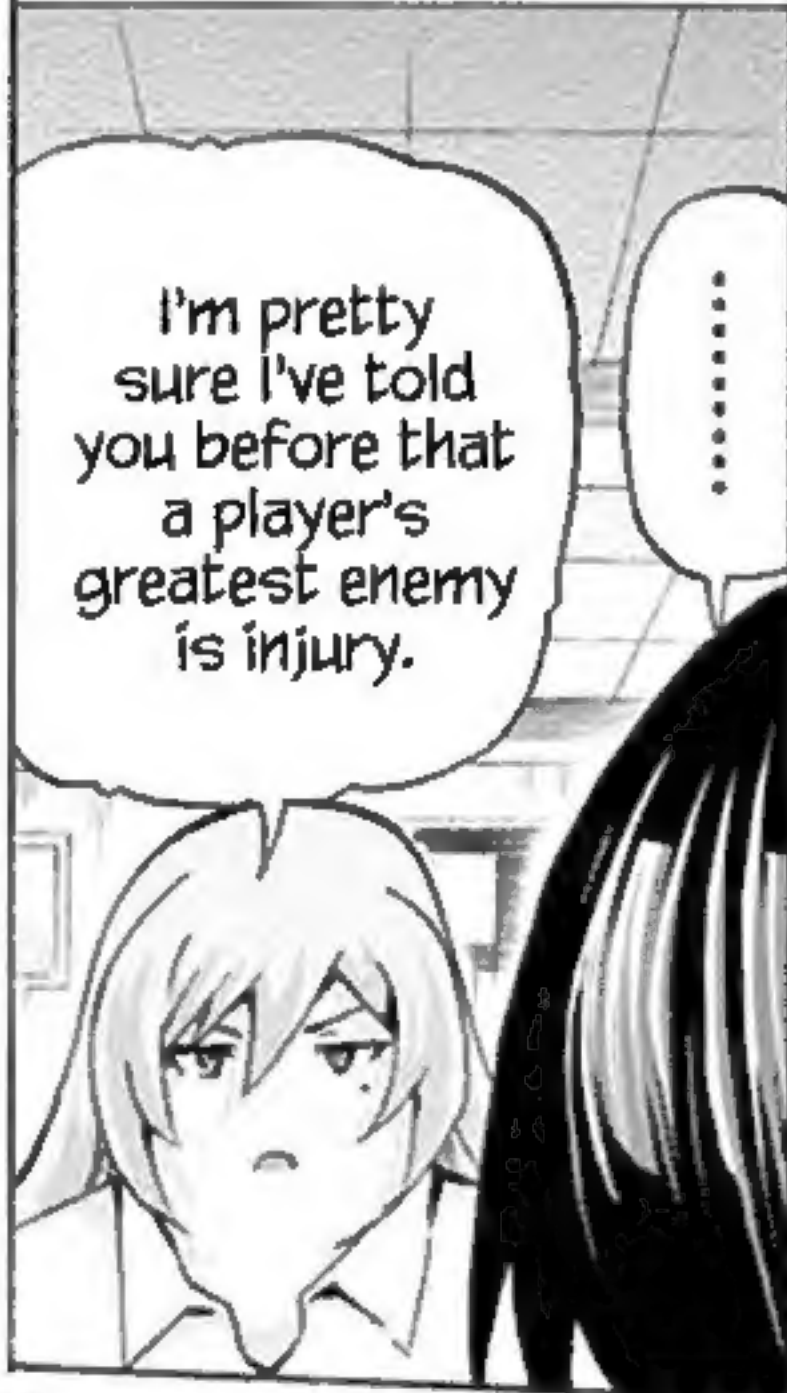

Eh?
Eh?
Huh?
Miyata-
chan!/?

5

I'm pretty sure I've told you before that a player's greatest enemy is injury.

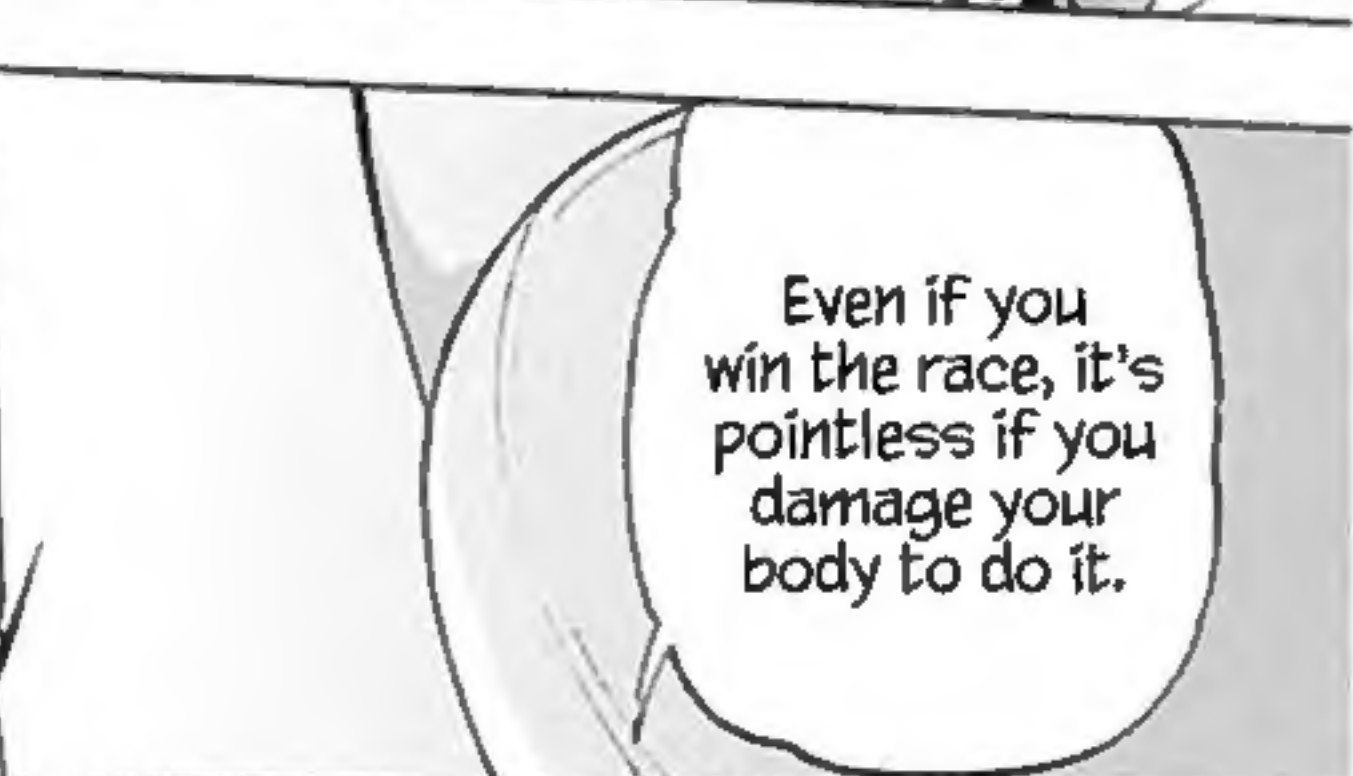

.....

...That's why I told you to share your secrets with me... Grr...

I.. I didn't want to worry anyone badly!

Even if you win the race, it's pointless if you damage your body to do it.

I'll give you three days. Get a physician to examine it.

And, depending on their diagnosis...

You can't be a pro if you can't perk up your nipples!

8

9

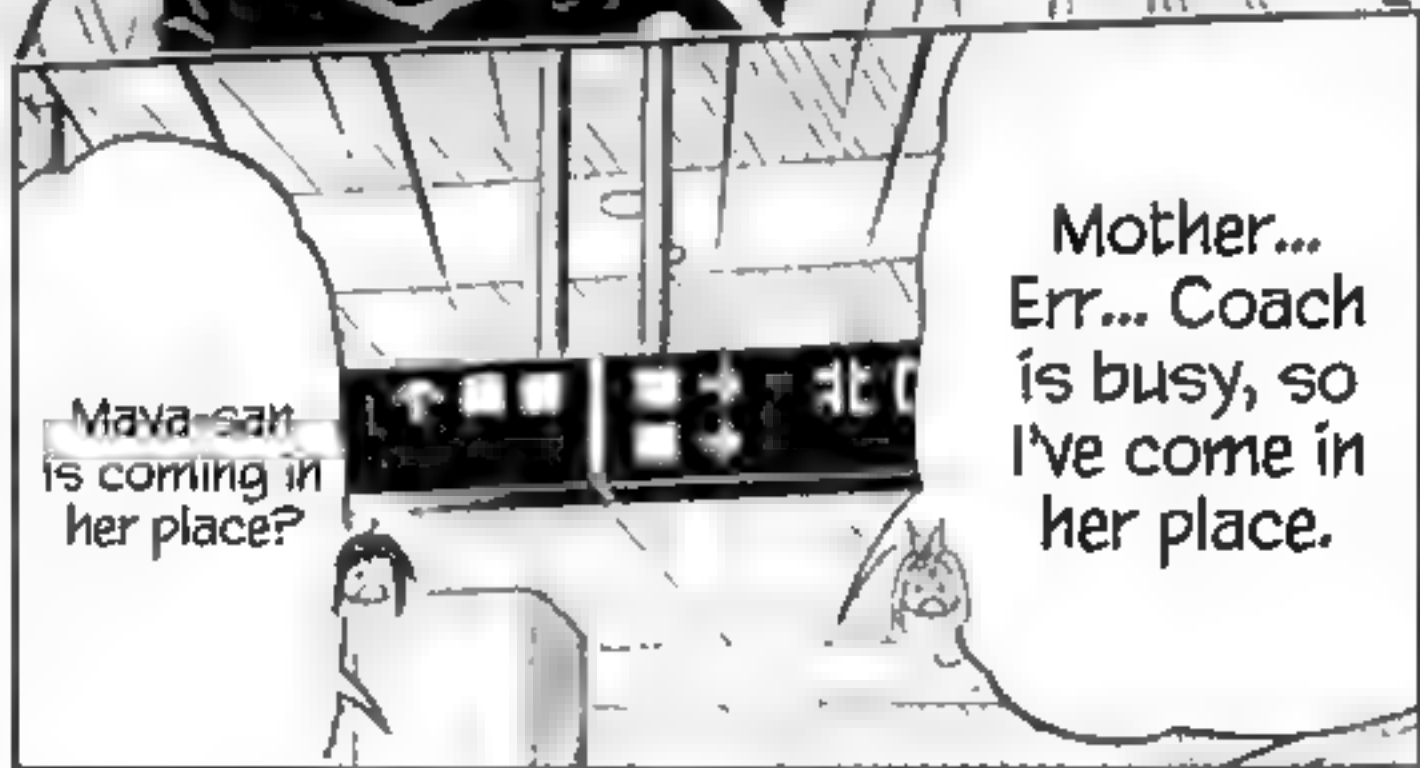

Why are you here?
Huh? Where's Sakashiro-sensei?

Eh~
Maya-san!

I'm late. By
1 minute
and 15
seconds.

Well,
come
along.

Maya-san
is coming in
her place?

Mother...
Err... Coach
is busy, so
I've come in
her place.

Store Sign Below Yakitori

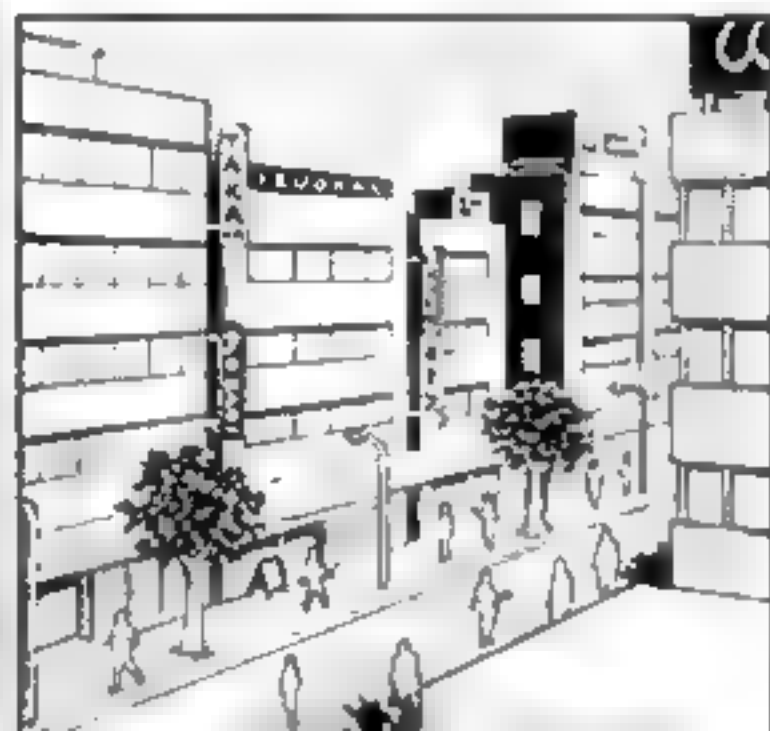

I couldn't really
see from inside
the bus last time,
so I thought the
only thing here
was Mt. Fuji.

Ehh~ What a
splendid city
Shizuoka is.

Ah...
Wait
up...

10

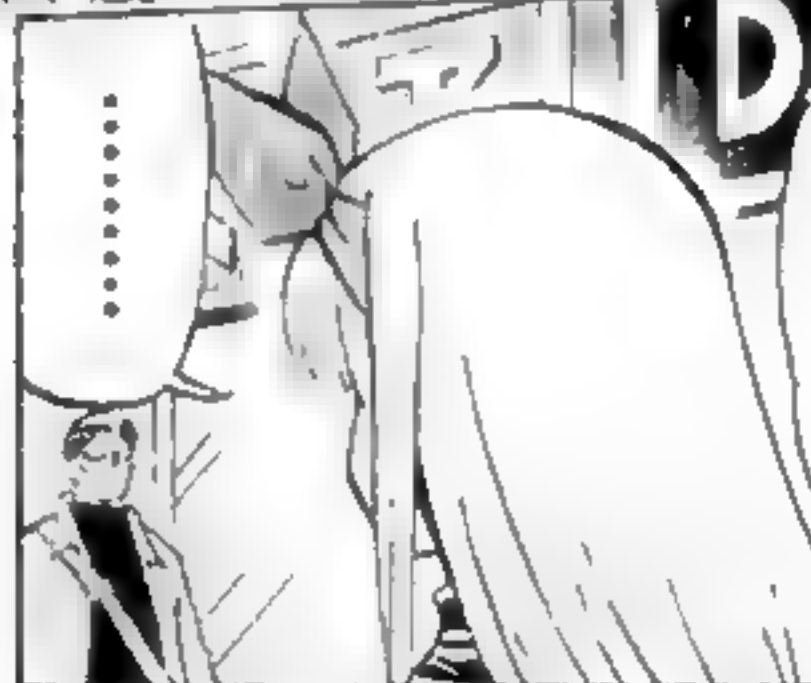

Who knows ...

Maybe Maya-san's hometown is here?

.....

Ahh... That's right. You moved around a lot, I believe?

Even if it was just for a day, I bet her coach forced her to come here...

Ugh... This is awkward... Maybe she still sees me as her enemy?

Fun Fact: Kamimashi means "God ess", and Maya means "True Night"

Hm? What is it?

...U-um... Kaminashi-san...

12

13

I'm
Kaminashi
Nozomi,
from
Setouchi
Keijo
Academy!!

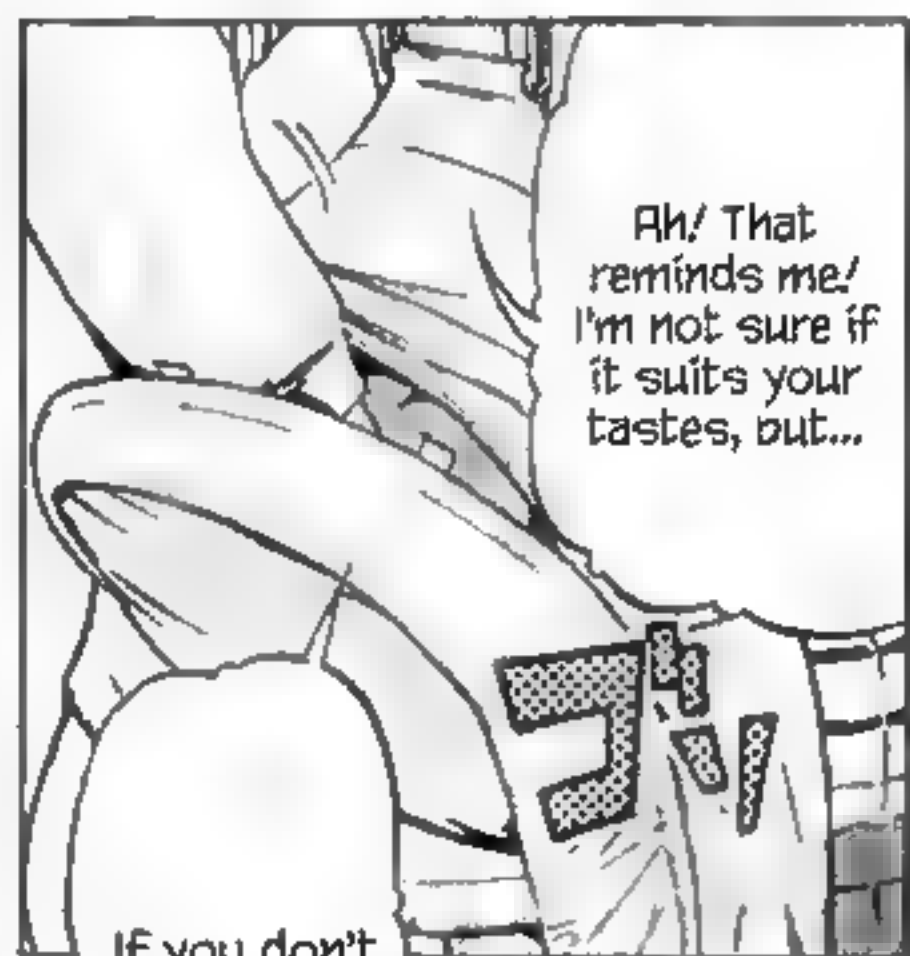

Um... Umm~
Please take
care of me
for today!!

...Um...

It's the
favourite
of Awaï,
"Orange
Sticks."

Ah! That
reminds me!
I'm not sure if
it suits your
tastes, but...

If you don't
mind, please
have this!

17

Well then, the payment will be the same as always.

Okay.

Eh?
Um...
That was...

No,
that didn't happen today.

Are you done? How was it? Did they pay already?

...He's always like that, I think.

No way!
That's it? You haven't even done a palpation!!
Are you kidding me?

Some-one gave it to me.

It looks delicious! How'd you get it?

Ah! What's that? A souvenir from Awaji!?

But, it appears that his diagnostic skills are the real deal. In underground societies,

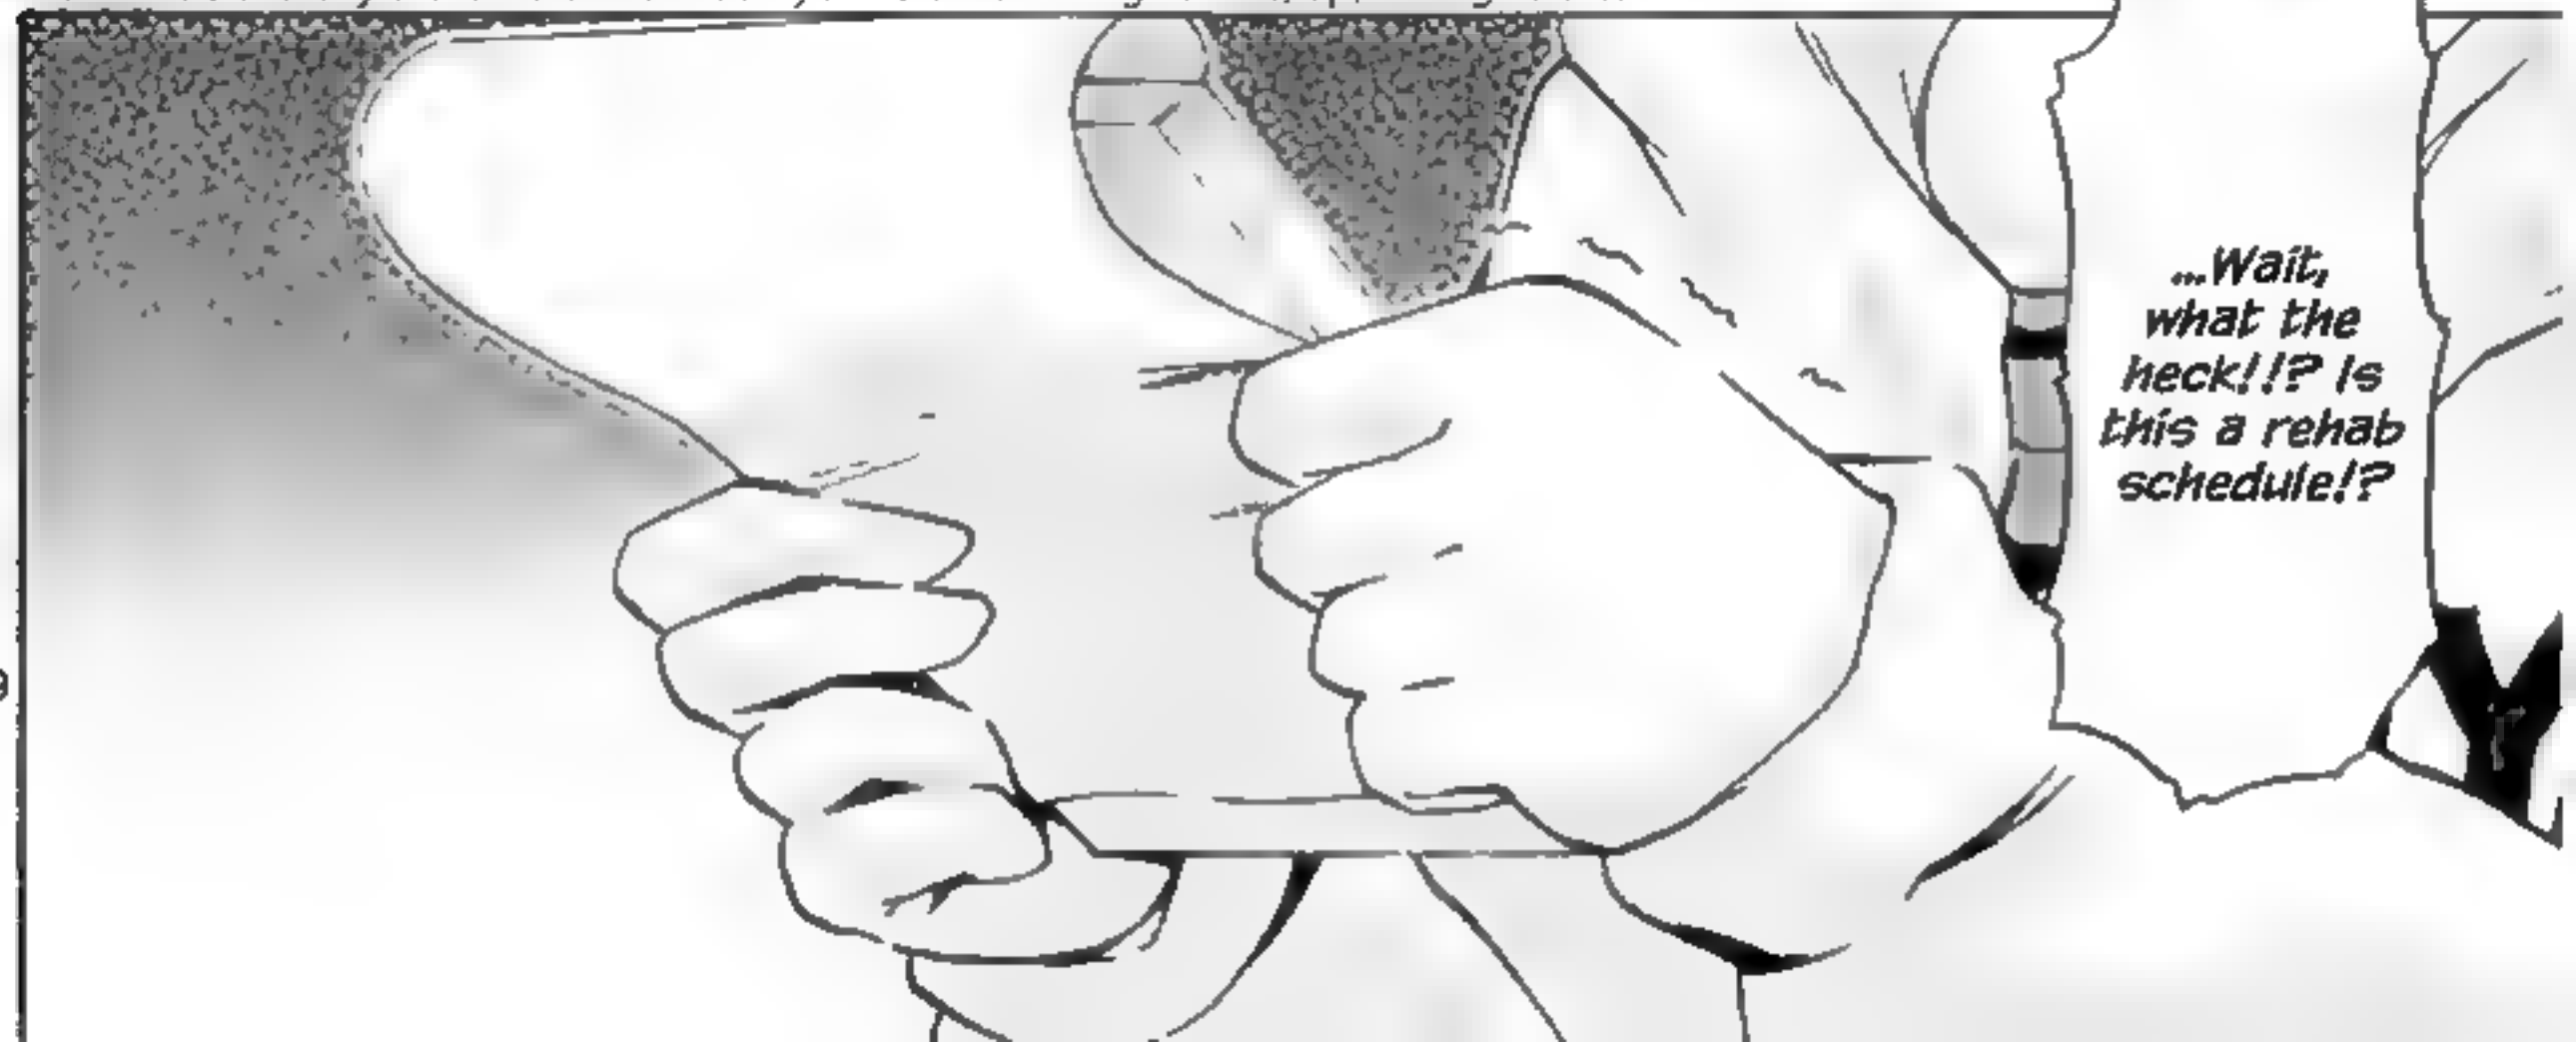

he's supposedly called the **"Rubbing-Away Master"**.

Since there's nobody else I can count on...

But... I have no choice but to trust him.

The "Rubbing-Away Master"? What kind of name is that?

○ If you'd like to know more about the "Rubbing Away Master", try looking it up! ♥
Nitori: He's actually a character from Sorayomi's other manga series, appearing as a cameo

...Wait, what the heck!!? Is this a rehab schedule!?

serious?

Will my

really recover
from a
routine
like this?

HiP89

Feeling the

Eh?
"Prep
work"?
By "prep
work",
you
mean...

First off,
two minutes of...
prep work to
make your
breasts reborn.

We
are asking
an expert
in breasts
here,

so I
think
there's no
mistaking
it.

Is this
really gonna

I still
don't

thing,
I think.

Give my

They feel
worn-out
...

Ehh!?
Again!?

Okay
then,
let's
start
over.

5

A part of
her probably
resembles
Coach
Sakashiro...

You're
really
merciless,
aren't
you...
Maya-
san.

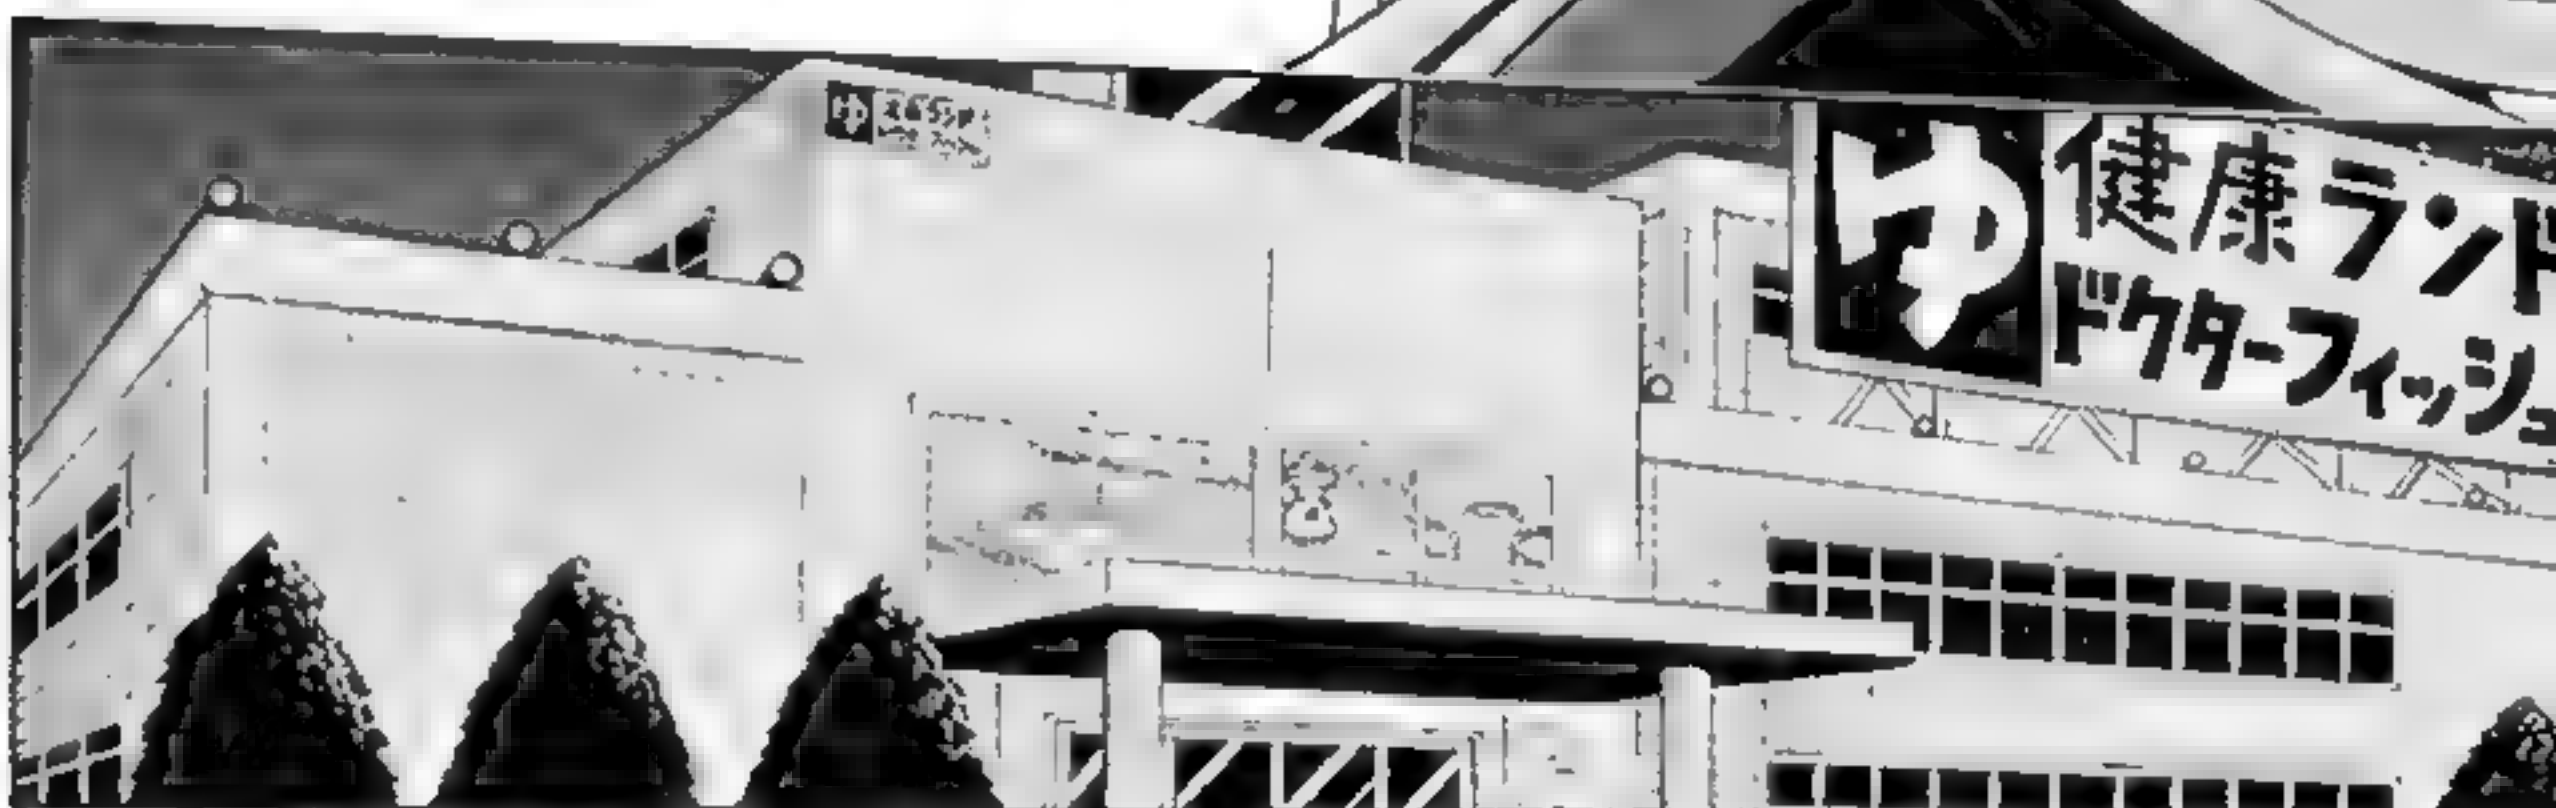

How
should I
put it ...

Well,
let's
hurry.

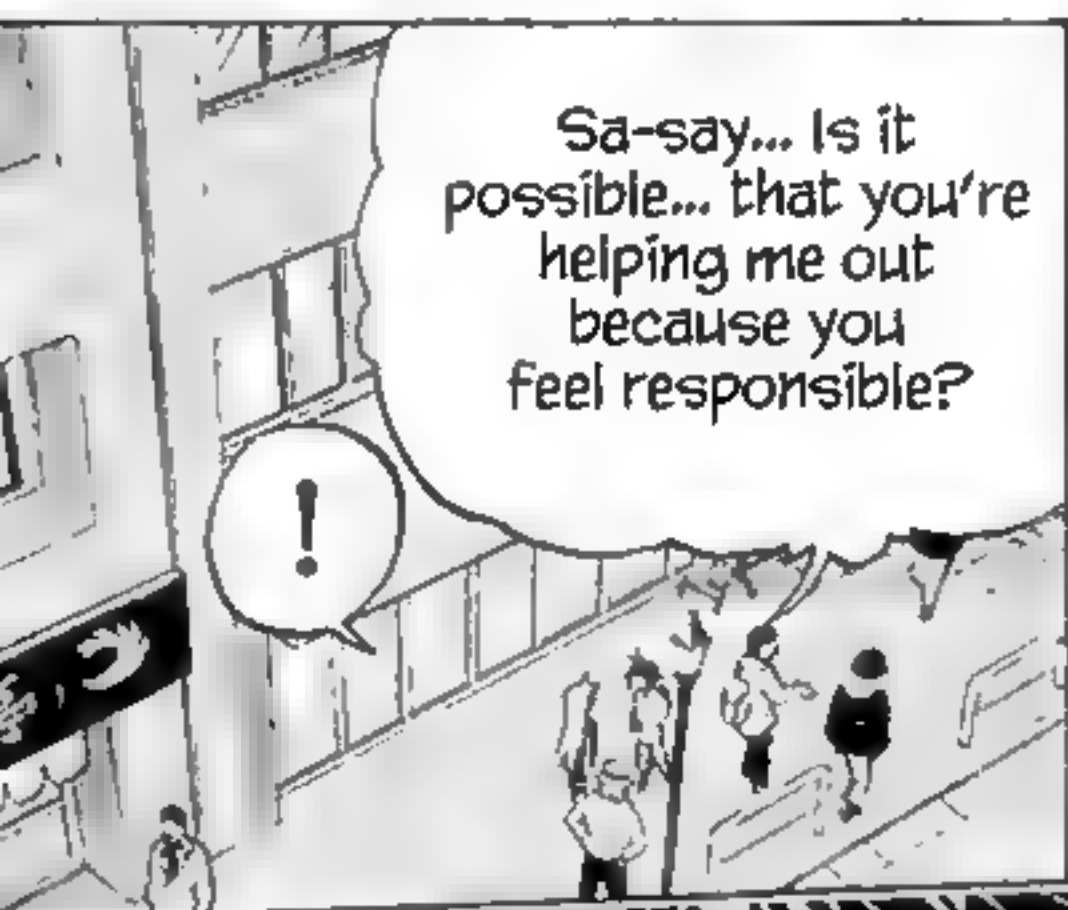

What
are
you
talking
about?

Kaminashi-
san, you're
the one who
said there's
no time,
right?

6

Sa-say... Is it possible... that you're helping me out because you feel responsible?

Please don't worry about it!

I'll cover what was missed during independent training on a day off, so...

Er, b-but! Don't you have lessons !?

If so, it's my fault for being reckless during the East-West War and putting myself in this position!

There's nothing Maya-san needs to worry about!

We-well...

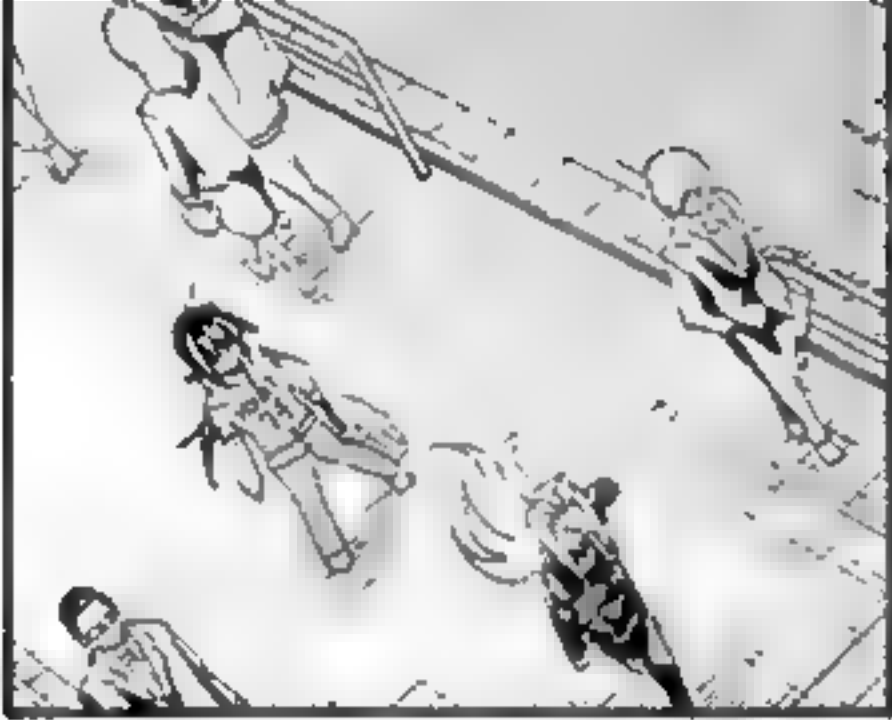

The opposite? What do you mean?

Actually, it's the opposite ...

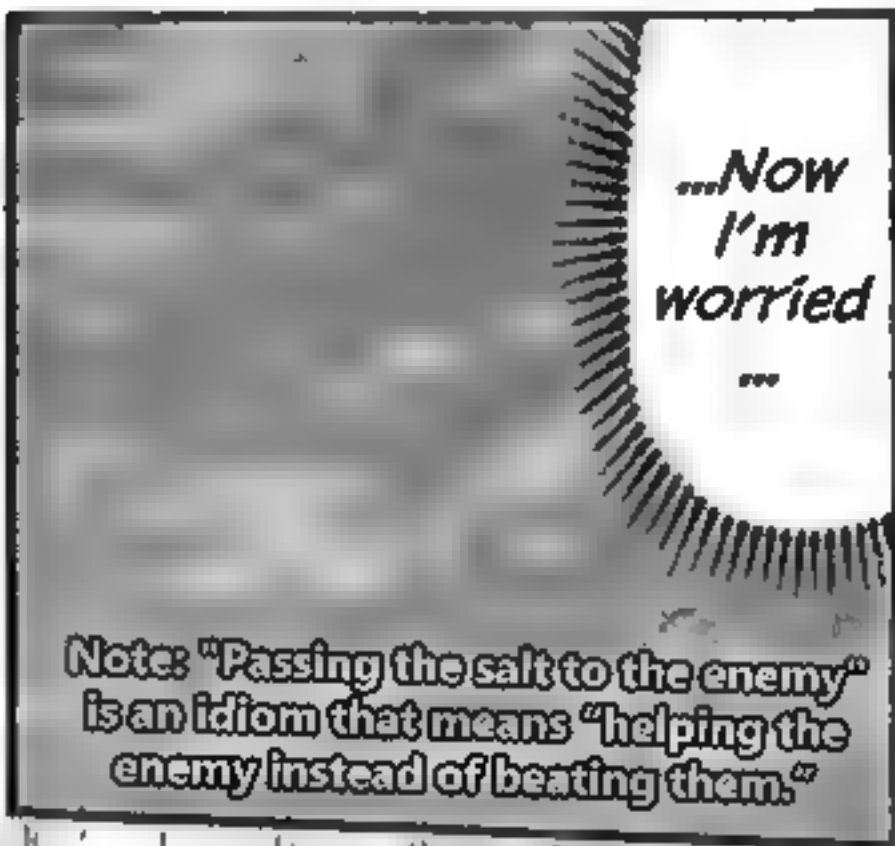

Ah... No, that's not what I had in mind...

So, you don't need to force yourself to help me out, okay?

8

...Now
I'm
worried
...

Note: "Passing the salt to the enemy"
is an idiom that means "helping the
enemy instead of beating them."

It's
salt,
not
ass.

I'm
the
kinda
girl who
"passes
the ass
to the
enemy!"

It-it
doesn't
matter,
right!!?

An-anyway,
be here at
eight tomorrow!
If you're late, I'll

we're here,

This is
somewhat
different
than what I
imagined...

I thought
it'd be a
lot more
bloodthirsty,
but...
Is *this* where
the pros hang
out?

Ehh-

Ah! Could
I have a
picture for
a keepsake?
Okay, say
"Cheese!"

I don't think you
girls had it when
you were students,
but pros can't
participate in a
Race unless they
go through this
first.

the examina-
tion
room.

putting on in
the Race.

An
examina-

KIDS GARD

Why?

But...! I wouldn't recommend it.

but they'll watch over your kids carefully for you during the entire Race.

You'll need to fill out a somewhat sophisticated application,

Moving on, this is the daycare.

Players with husbands or boyfriends are the first ones to have their kids targeted during a Race!

Even even a place like this...

You can request professional make-up artists, so feel free to do so before a Race!

...And, over there's the make-up room.

I recommend you try it out once!

The "C-Cup Ice Cream," a B-Class gourmet, is only sold here,

...Well, here's the store!

Clean! It doesn't reek of sweat from sports or anything...

...The institute's the same too, but the air here is...

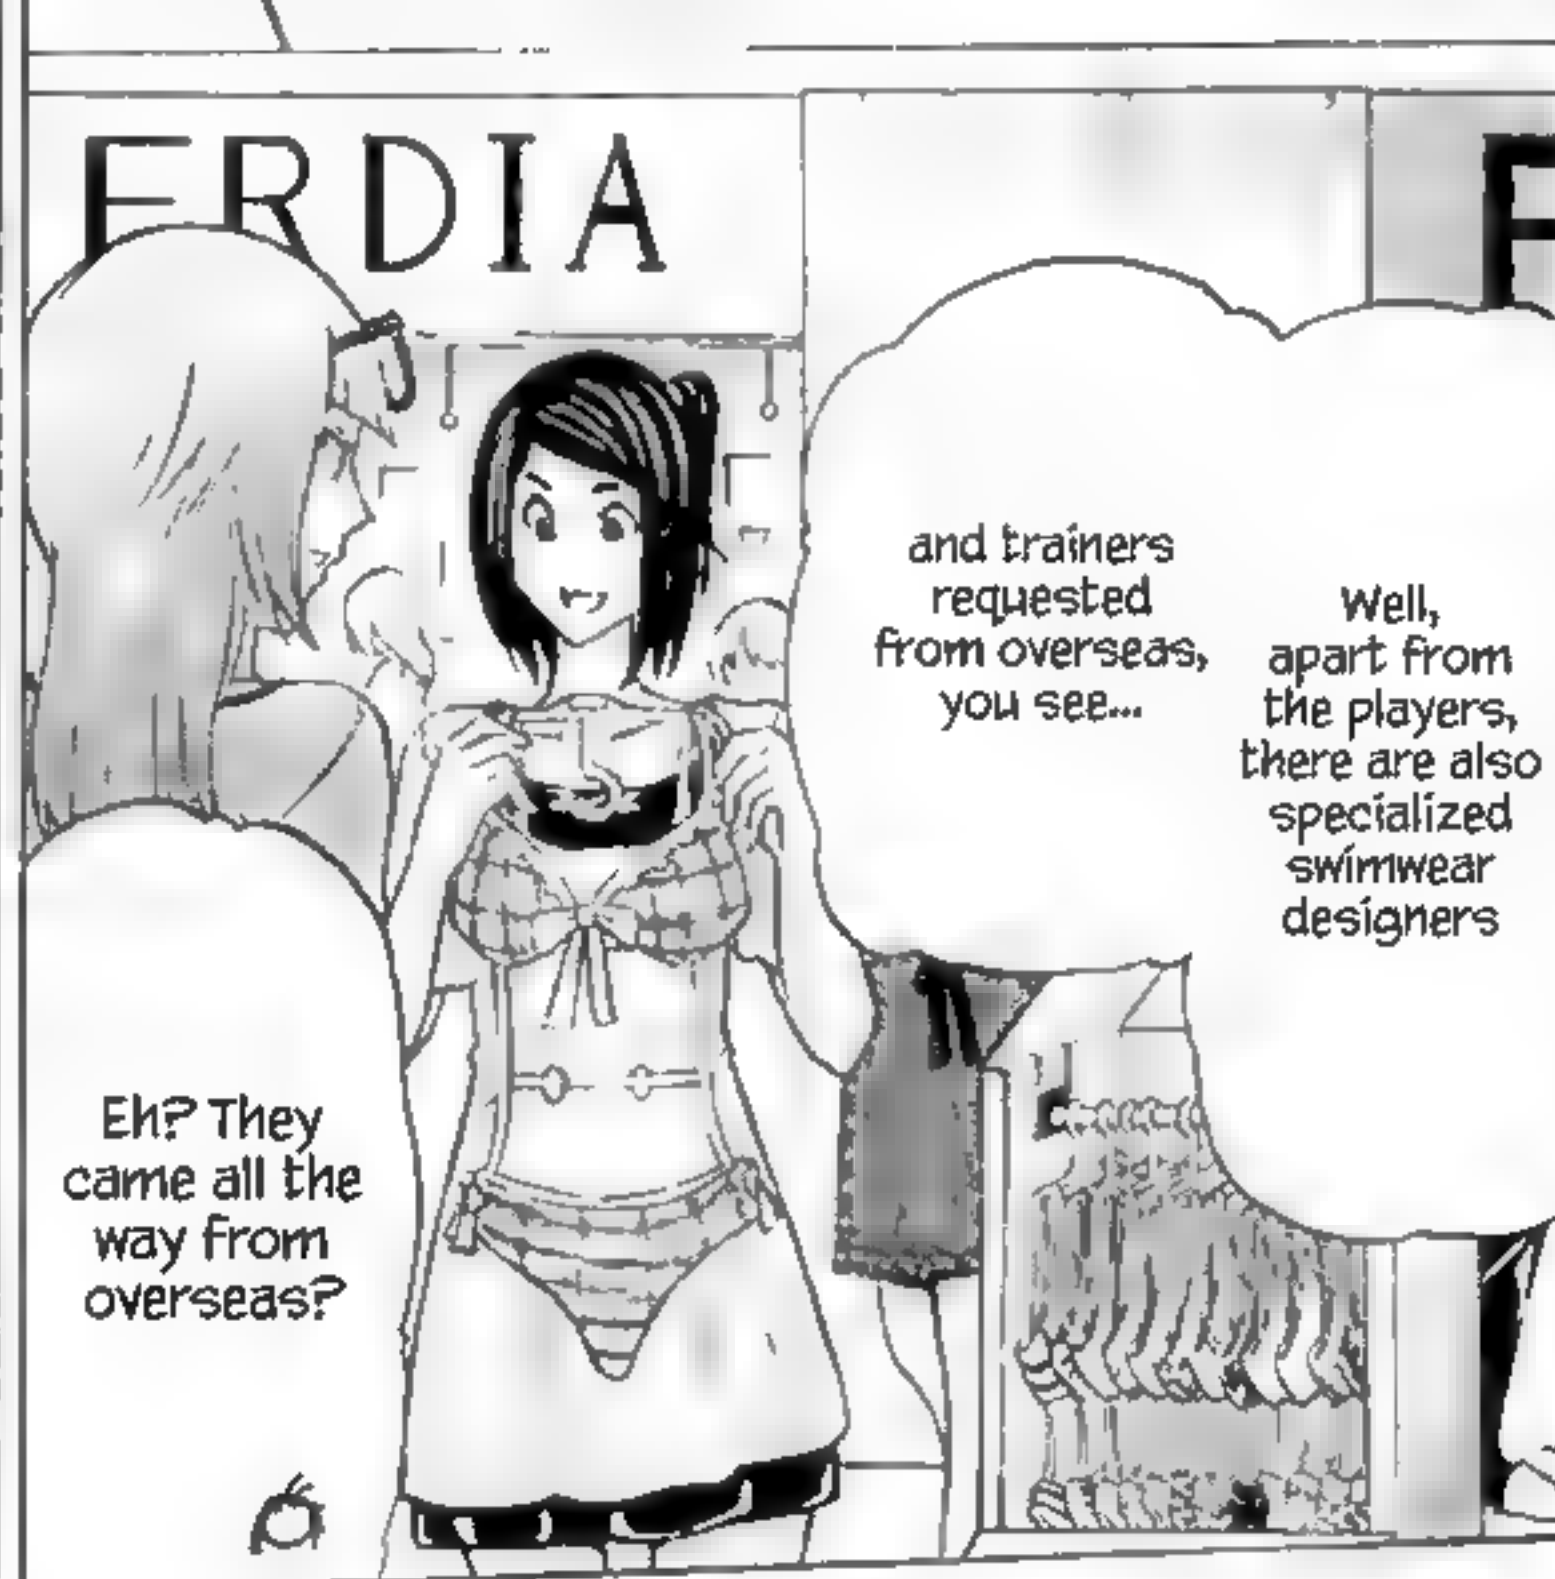

Yeah, well~ That's because it's *the* workplace for women!

...This is all pretty amazing!

Yep,
cool-looking
ones and fan
favourites too!

Eh? They
came all the
way from
overseas?

and trainers
requested
from overseas,
you see...

Well,
apart from
the players,
there are also
specialized

designers

Truthfully
speaking, it's
quite brilliant
due to all the
different people
coming and
going!

and we
also get
support
from our

so...

We also have
specialized
nutritionists
handling the
food,

What
do you
mean?

...Yeah,
well
surely...

But, I
think the
number one
reason for
it looking
brilliant

isn't because
we have lots of
people here like
them, though...

*I think it's
because
everyone's
shining
in their
own way.*

Ehh~

There are various differences between newbies and experienced players.

5

If we don't clear that situation first...

They have nutritionists as their personal trainers... and above all, they possess "information" that we don't have!

6

What are
they up to?
Those girls...

They're diving
into those Keijo
magazines like
there's no end,
inside the
Refresh Room...

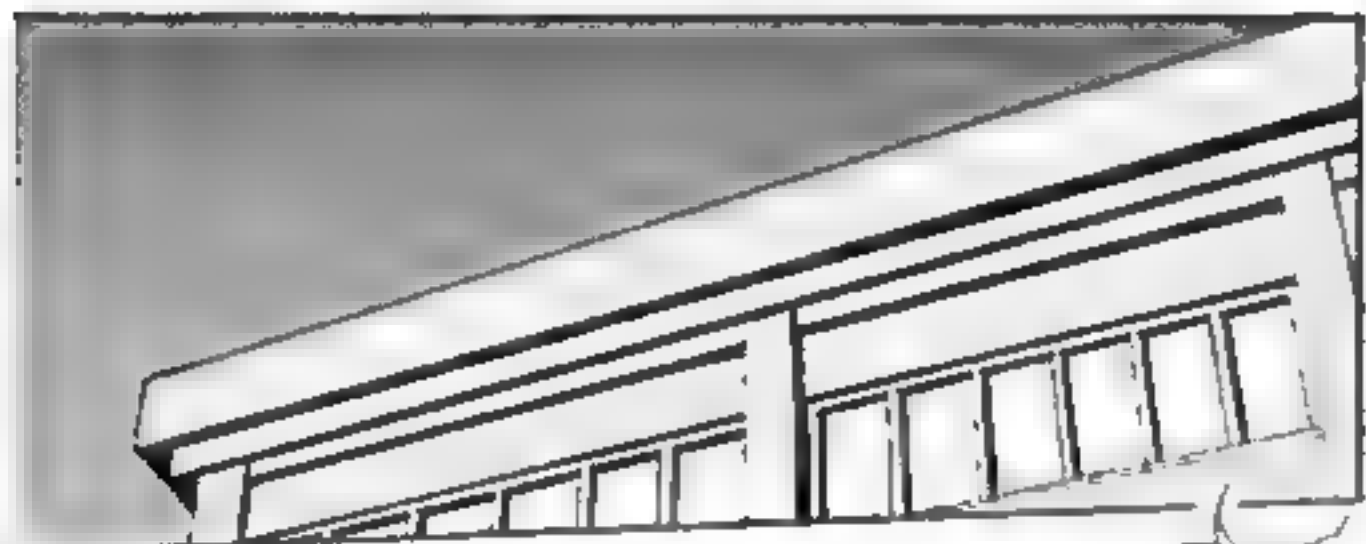

I guess we
truly can't
look down on
the newbies
this year.

Ehh~ They've
already become
aware of what
they're lacking
and have taken
action, huh...?

This is an
unbelievable
show of power
for a Debut War,
coming from
Kaminashi!

A hit~!
Once again,
another
intense
blow!

9

I don't
want to
show the
people
supporting
me...

a Race
where I
intend on
fleeing...

by fumbling
around
whenever I
get afraid of
losing...

Honestly, I
didn't figure
out the
reasoning
behind
Sakuragi-san's
advice at all,
but...

After she
told me not
to attack,
I was
resolute!

Since I
just started
in Keijo,
I have to
enthusiastically
do my best
without any
hesitation!
That's all I
can do...!!

It's yet
another
intense
blow!!

Ehh~

10

I
see...

She's truly
the Star of
Hope who
flourished
in the
East West
War!

She keeps
launching
attacks
towards her
senpai!

It seems you
aren't just
a naïve girl
looking to get
spoiled from
wearing a cute
swimsuit...

You have an
"Ass
of War,"
don't 'cha...

I'm
pleased
with that
spirit
you've
got!!

That fighting
spirit of yours
is already
at a level no
different from
ours...

I
apologize,
for
making
light of
you!

But, in
the end...
You lack
combat
experience,
huh?

Thanks
for the
compliment,
Senpai!

Note "Ass count" probably means rapid fire or fast hits

13

...to be
targeting
lots of
opponents.

But, there are
lots of newbie
girls who fail
to be able to
realize that.

If that's
the case,
she'll be a
sitting
duck.

She's
unintentionally being
foolhardy, just like the
time she was in school...
She's taking action with
high spirits and all her
might.

Nee-
chan
!!

Nozo-
nee!

Nozomi!!

It's so she can
easily bring it
down to a 1-on-1
fight after the
number of players
decrease ..

...So that's
why the player
Sakuragi gave
her advice
telling her to
remain on the
defensive
until the
endgame...

Who should I target next-

Just what should I do!?

No actually, who should I look out for... Who should I aim my ass towards...

Shit! Crap! What should I do!?

Whenever I decide to attack someone, I end up being too slow to react to another!

15

You look completely panicked.

Crap- I was too slow to react!!

Remember this, Kaminashi-san... On a Land in the Pro League,

**Ass
Sundae
!!!!**

*you'll be
washed
away by the
one who
makes the
surprise
attack!!*

Move: The kanji for "Ass Sundae" literally says "Ass Buck Mud", which is a play on the word "buckshot" for shotguns. In Japanese, the "sun" in "sundae" is the same as the "buck" in "buckshot".

Errrrm...
Number 3,
Kaminashi,
has sadly
sunk!!

Nozomí!!

Guh...
My
vis on
is, from
the
mud...

What could
be the
meaning of
this!?

She lost the
Debut War in
a mere 40
seconds!

18

The Star of
Hope from the
East-West War
got herself a
Pro League
baptism!!

Please contact me if you have anything you're worried about or anything you'd like to know.

Miyata-san too.

If you'd like, let's share our addresses.

...Thank you so much.

I'll treat this failure as motivation for me to stay alive the next time!

My Keijo life just started.

That's right! This isn't the time to yield.

Well then, let's get right to discussing about the batters I'm up against...

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years. If you love my releases, please consider donating at KireiCake.com to support our livelihood. All proceeds go towards offsetting her medical fees. Thank you very much for reading!

That's right... For the time being, I'll focus on my counter-attack when I'm against many people!!

The Next Day Race 2

6

You're looking around too much! I can tell you're not used to defense!

For now, I'll try sticking to defense.

I won't take my eyes off of any actions in my surroundings.
and constantly be on my guard-

If I head to the center of the Land, I won't be able to keep an eye on everyone! I'll stay by the corner-

Number 1, Kaminashi, has sunk!

Damn it~ Bloody hell~

The Star of Hope once again, fell out first!

...Er, woah!!

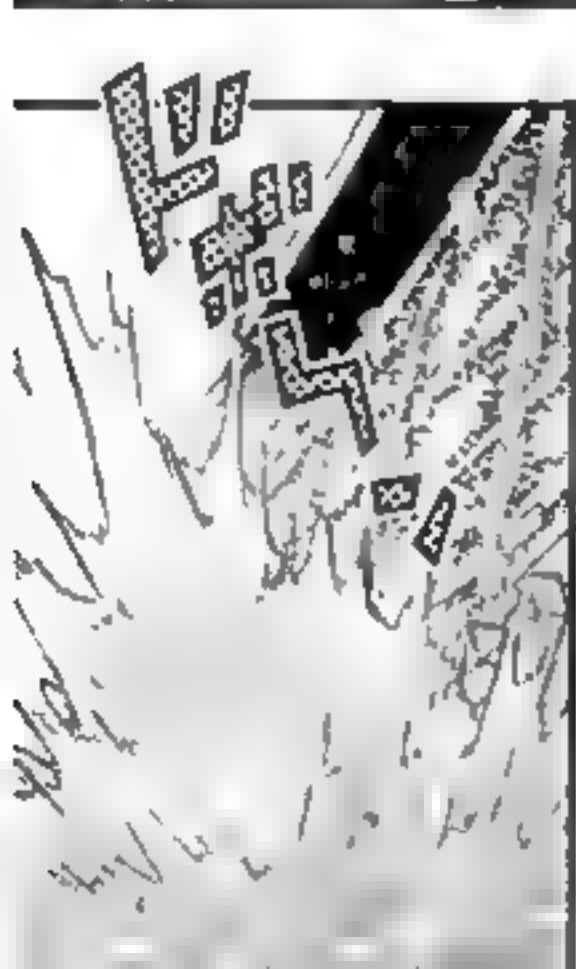

Damn it! I'm sure today, I'll-

The Next Day Race 2

Number 2, Kaminashi, has sunk!

There's nowhere to escape!!

Number 6, Kaminashi, has sunk!

My my,
looks like
you went
"plop" in the
pool first
again.

I'm not an
expert at
martial
arts, so...

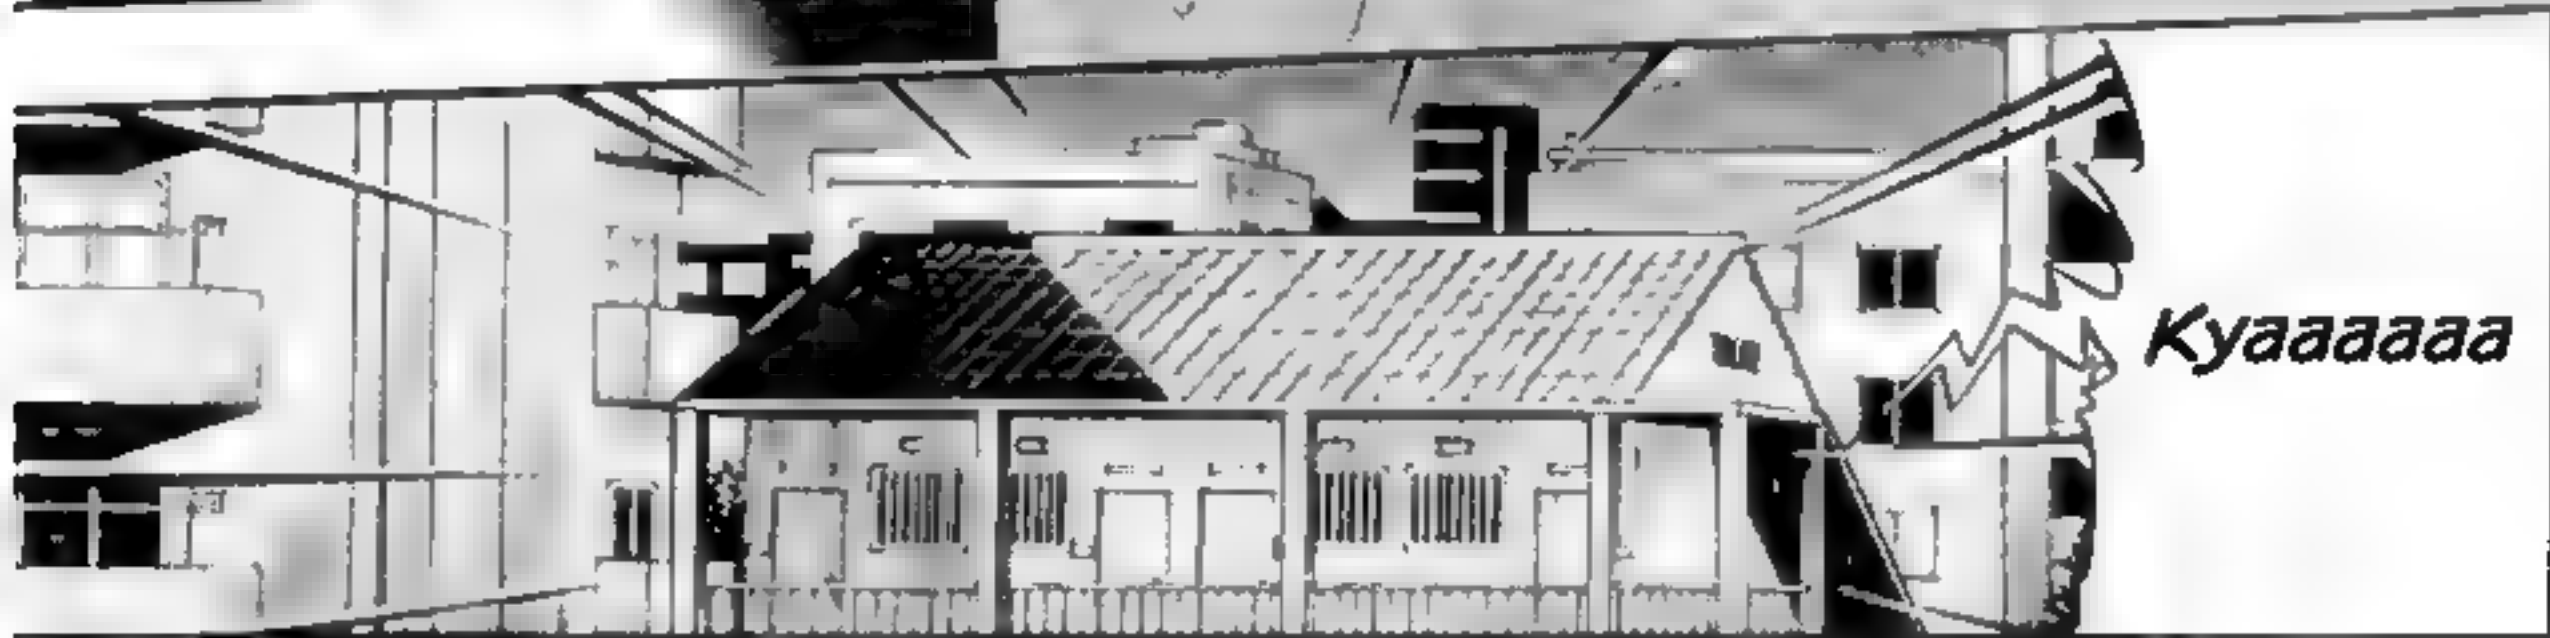

In the first
place, can I
even pay
attention to
five people
at once?

Ohh~ How
come? They
keep taking
advantage of
my openings!!

Hey...
Long
time
no
see...

9

Ignoring the first day, even though the themes of the Races were distinct from the second day onwards, it didn't matter...

I didn't win...

And Miyata-chan put in a reasonably large amount of effort, too...

You get your first winnings at the third win!

It's unbelievable... To think the Pro World would already be this intense so far...

11

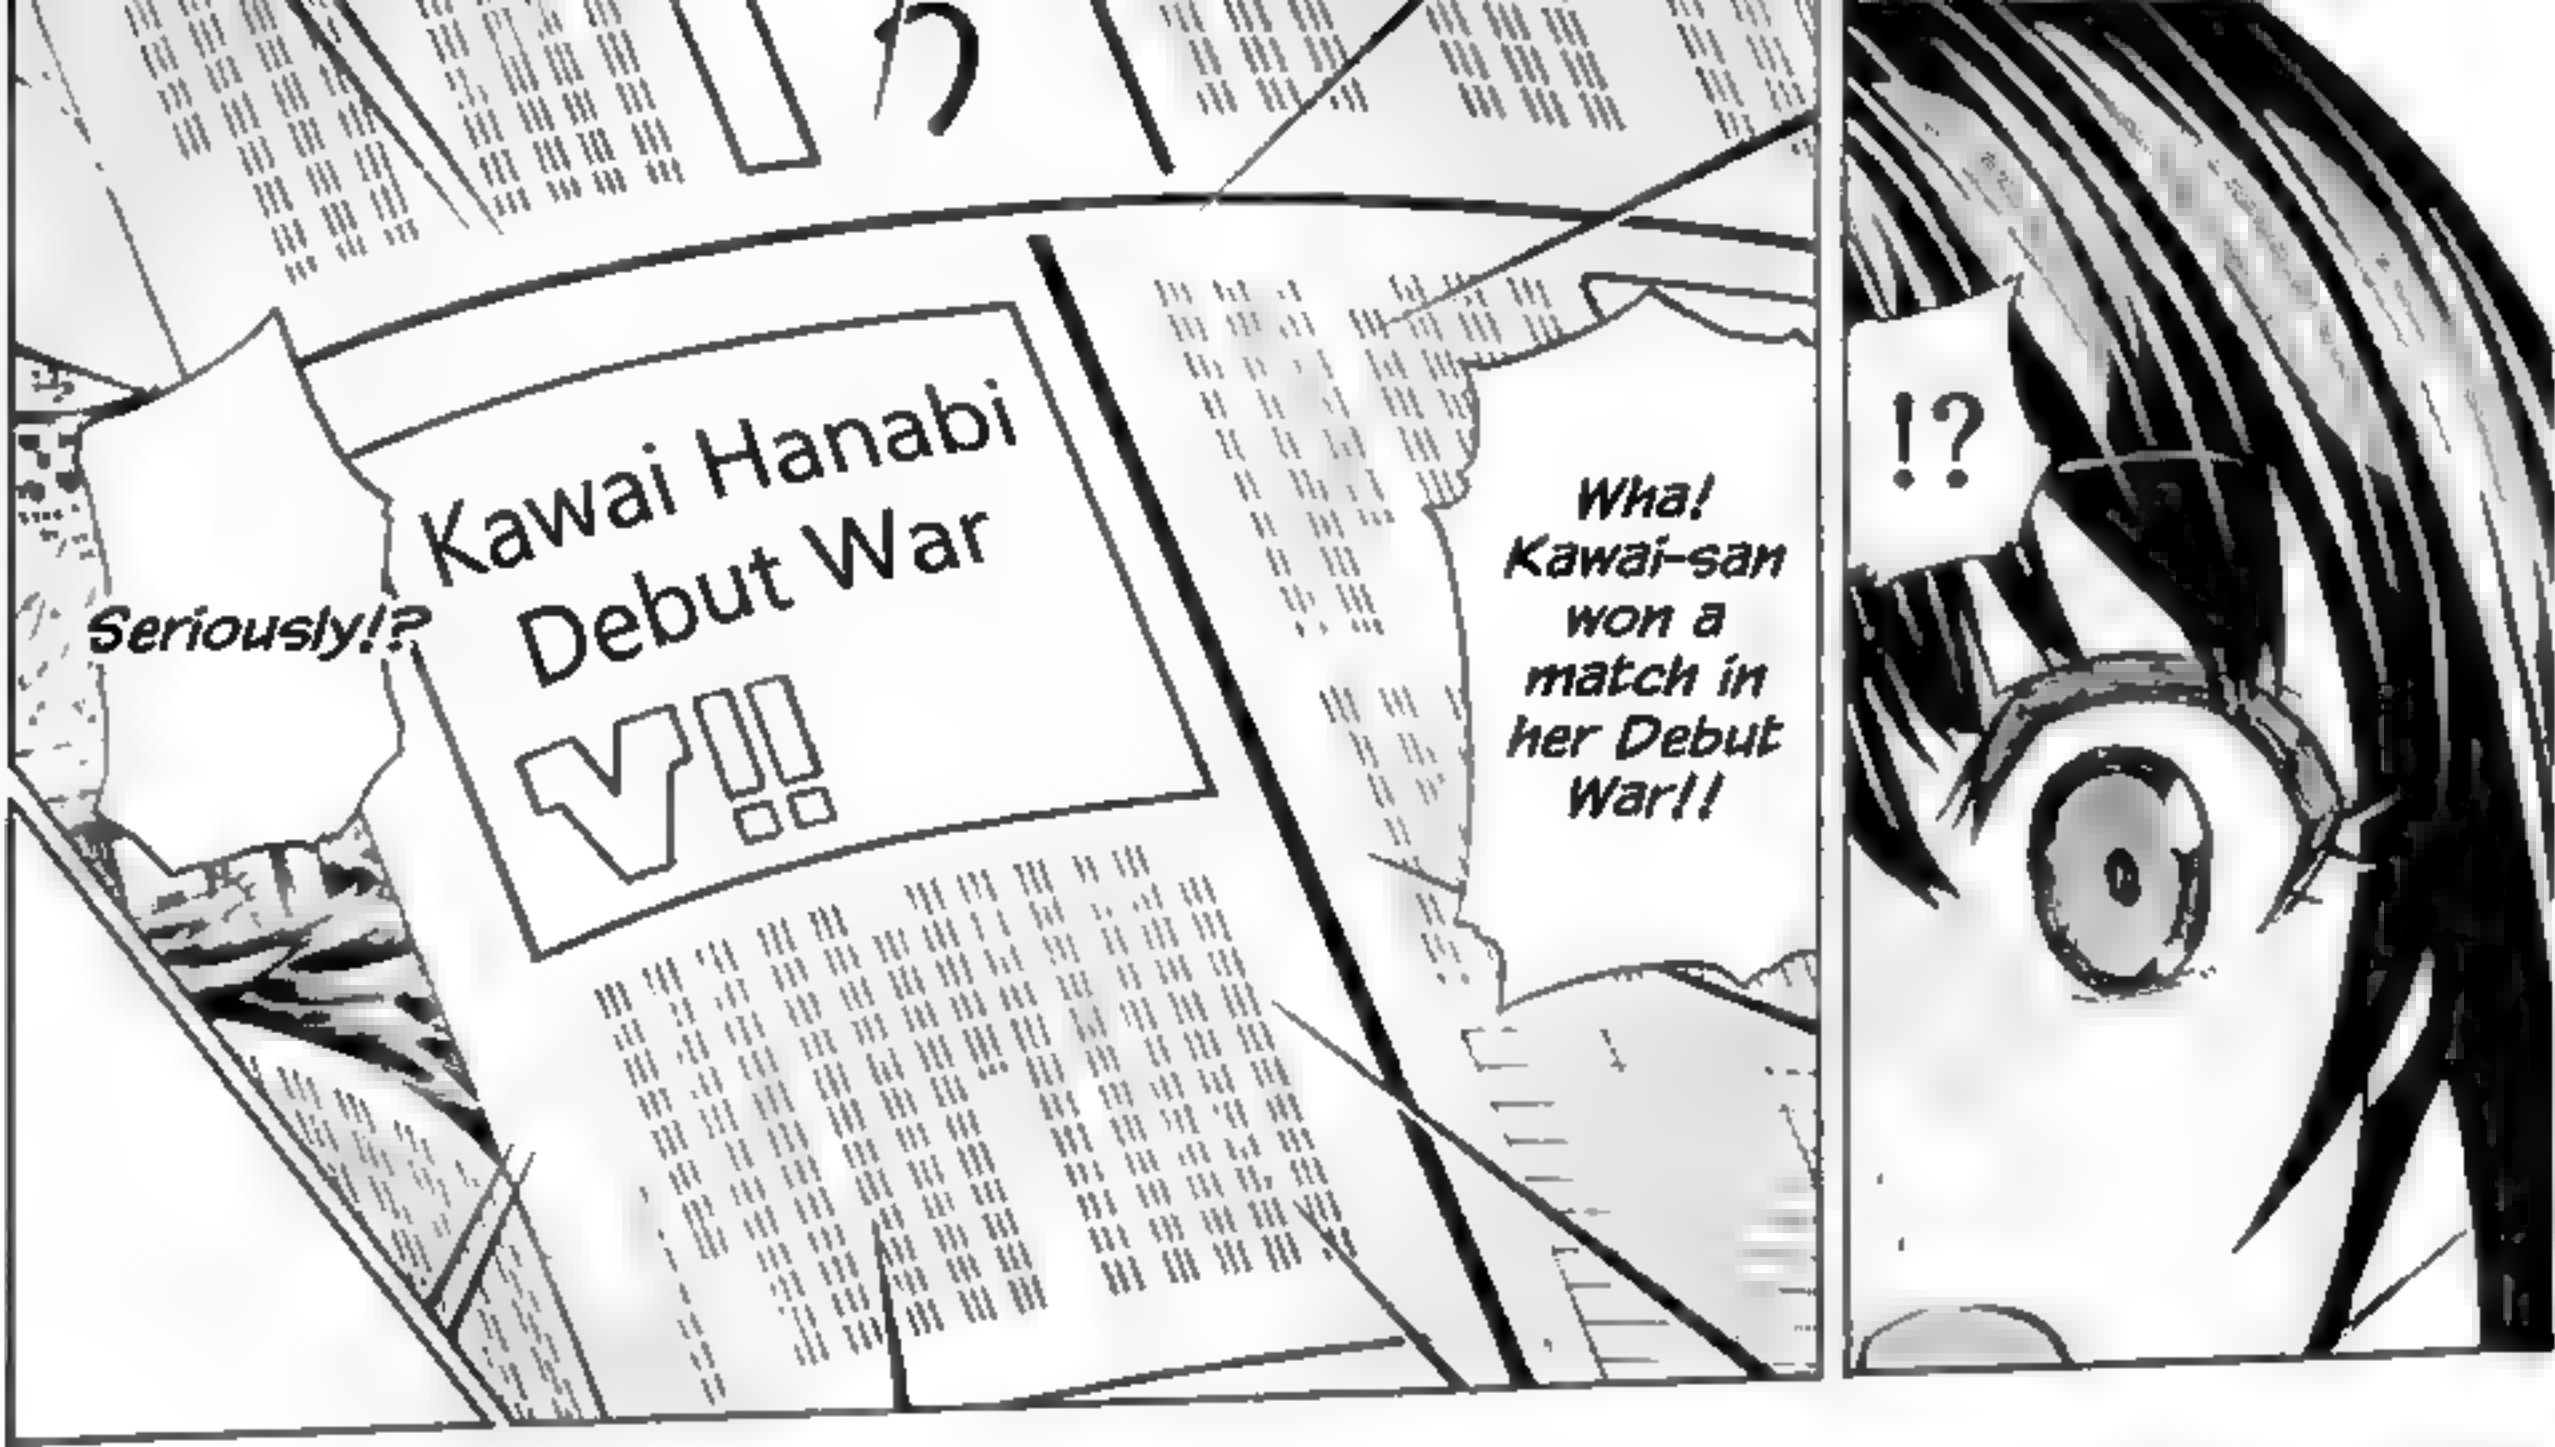

Anyway, for the next Race, I need to do a bit of research on the Lands and other players.

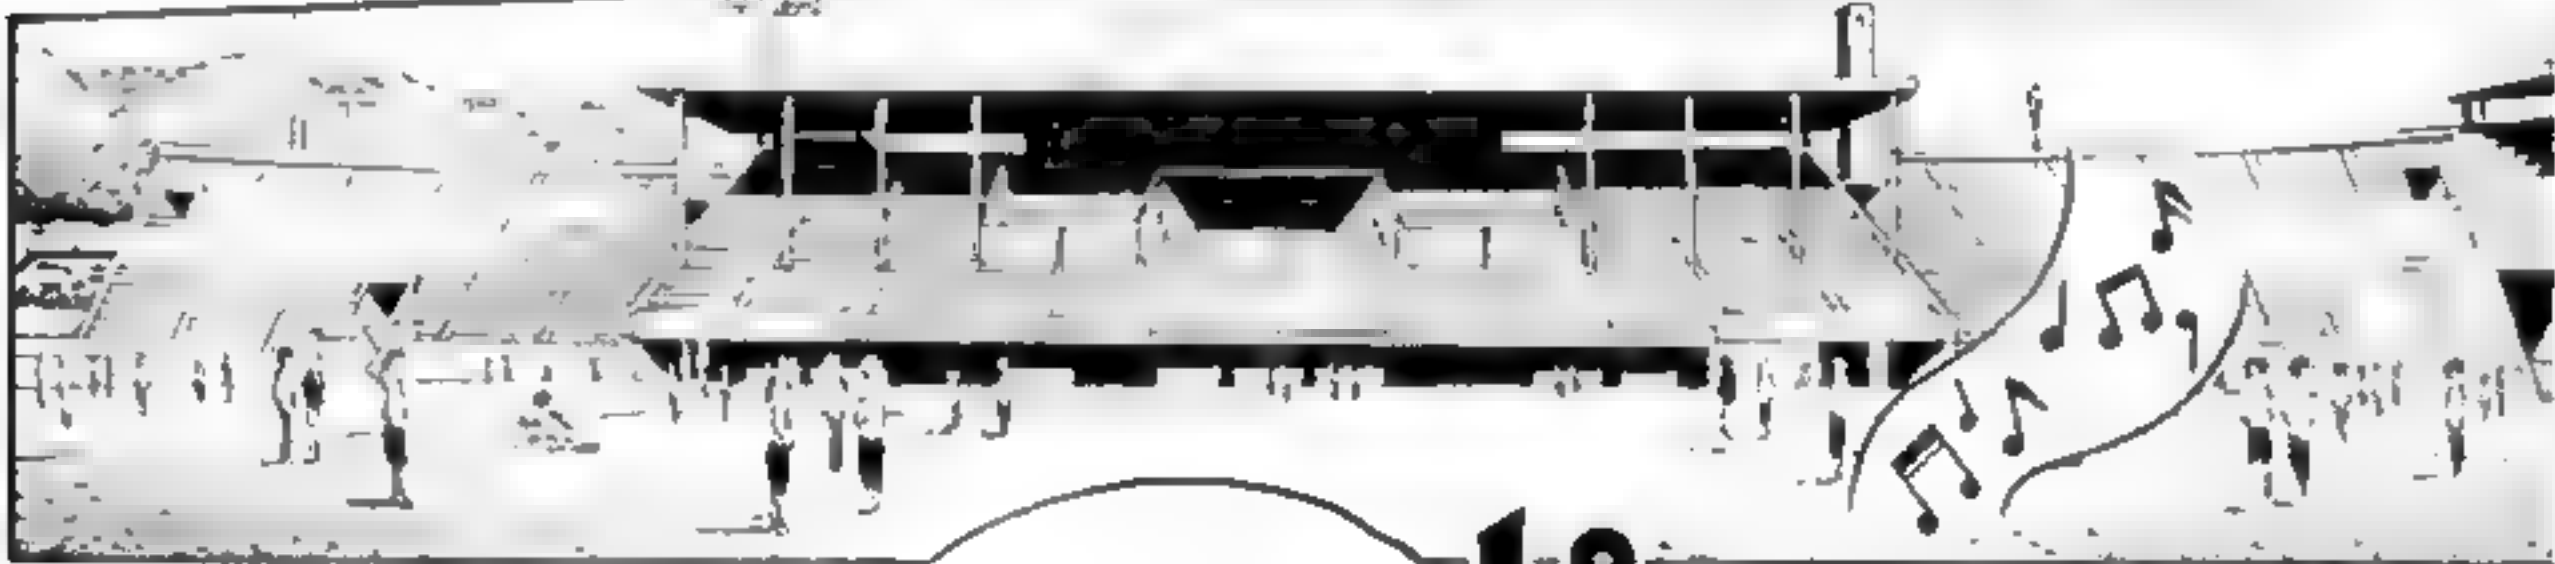

There's still more to come from here!!

...Er, no, no! What am I getting frustrated over!!

12

Eh, ah...!
That's...
Thanks
for calling
me just to
do that!

I wanted
to say,
"Congratula-
tions!"...

Ah~ Nothing...
I saw in a
magazine that
Kawai-san won
in the Debut
Race, so...

Wh-wh-
wha...
what's
going
on?

Oh no, I'm taking a
break! I don't really
get calls from
anyone other than
my relatives, so I
was just surprised...

Oh no,
no, even
if it was,
it's still
amazing!!

But...
I-it was
just a
fluke,
so...

Ah...
I saw you.
It looked
terrible
for you.

I'm kinda
worn-out...
from the
Debut War.

13

...Yeah...
But you
know...

To think
that my
powers
wouldn't
work on
them to
such a
degree...

To think
there was
such a gap
between
me and the
others...

Honestly,
I was taught
a lesson...
I need to
focus more
on the funda-
mentals...
before
considering
the skill and
strength
of my
techniques.

*If it's you,
Nozomi-
chan, I'm sure
you'll figure
something
out!*

It's true though! Even though you barely passed Setouchi Academy, and your graduation was the most questionable...

Once again, you're just flattering me.

Since I believe you have... the power to overcome such obstacles.

14

Nozomi-chan, you have an immense ability to overcome those kinds of walls, so...

So...

and you ended up defeating the champion, Suruga Academy, whom are proud for being undefeated, you know?

Before we even noticed, you advanced to the same elite class as us...

in the
**"Prize-Winning
Ass Queen
Decisive War"**,
the greatest
Race in the
Keijo World.

I'm looking
forward
to a clash
with all the
members...
from
Setouchi that
have gotten
powerful,

Give it
your all!
Since we
have high
hopes for
you!!

Ah! Crap...
If I don't
return
quickly...

?

*Whistle
whistle*

...Really?
Then
that's
good to
hear

...Yeah,
thanks...
I've got a
bit of my
motivation
back.

"Onee-sama"?

Eh? Kawai-san, you had an Onee-san?

Ah... No... That was...

?

You're keeping Onee-sama waiting!!

Yeah, she's the person we were indebted to during our time at the training camp, right?

Say! Nozomi-chan, do you remember that Shirayuki player?

What are you doing, Hanabi?

Yeah... Well... Right now, I... and that Shirayuki player...

We
became
sisters!

お

Hanabi, I
told you,
didn't I?
That I hate
tardiness.

Huh?

Kawai-

that
Shirayuki
player...

Huuuuuh

So...

HiP94 Sisters!!!!

This is wonderful, don't you think, Hanabi? I managed to get you the older sister you've always wanted.

Father

Mother

Maybe Kawai-san's father got remarried to Shirayuki's mother?

What in the world happened between Shirayuki, the player I was indebted to, and Kawai-san? It can't be...

Huh? Sisters?

Unusual feelings start to bloom for two people who would never have fathomed such a thing... And then, a forbidden-

Two outsiders now under the same roof!

You've got it wrong!!

What Hanabi's talking about are "sœurs"!

In the Keijo World, they're known as...

Knowing you, you're probably having some weird delusions about us, but...

Th-that's the sound of Shirayuki! Lo-long time no see!

3

I knew it
Shirayuki-san,
you're just
pointing out
my flaws...

You
realize that,
in this world,
fighting
someone
recklessly is
futile.

You know that,
one way or
another,
experience and
knowledge is
necessary.

組分け表

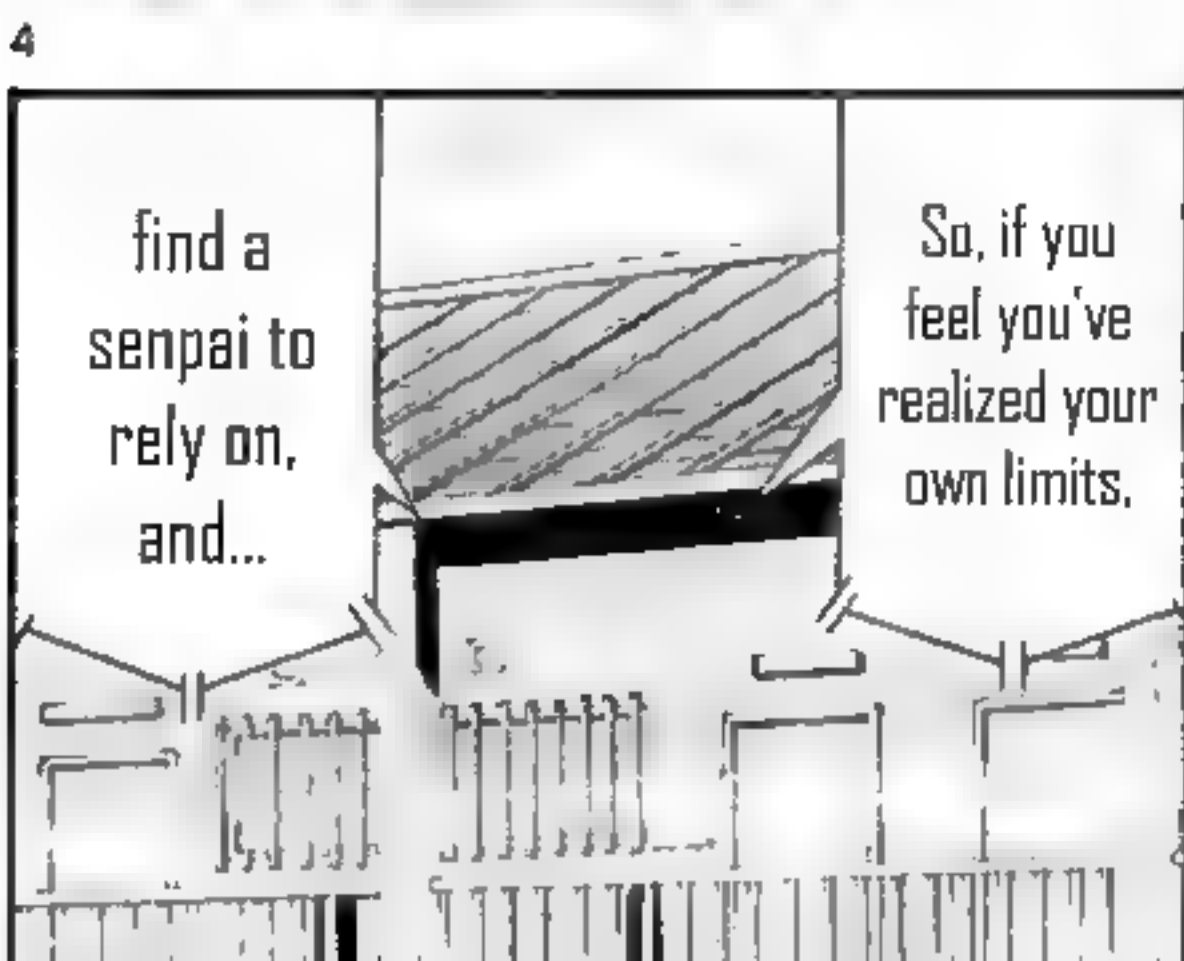

and the
means to fight
when there
are several

The features
of the

Yep.

...Learning...

So, if you

in order
not be fatally

Sœurs... are a
structure designed
for innocent and
pure newbies to

And
then, a
few days

5

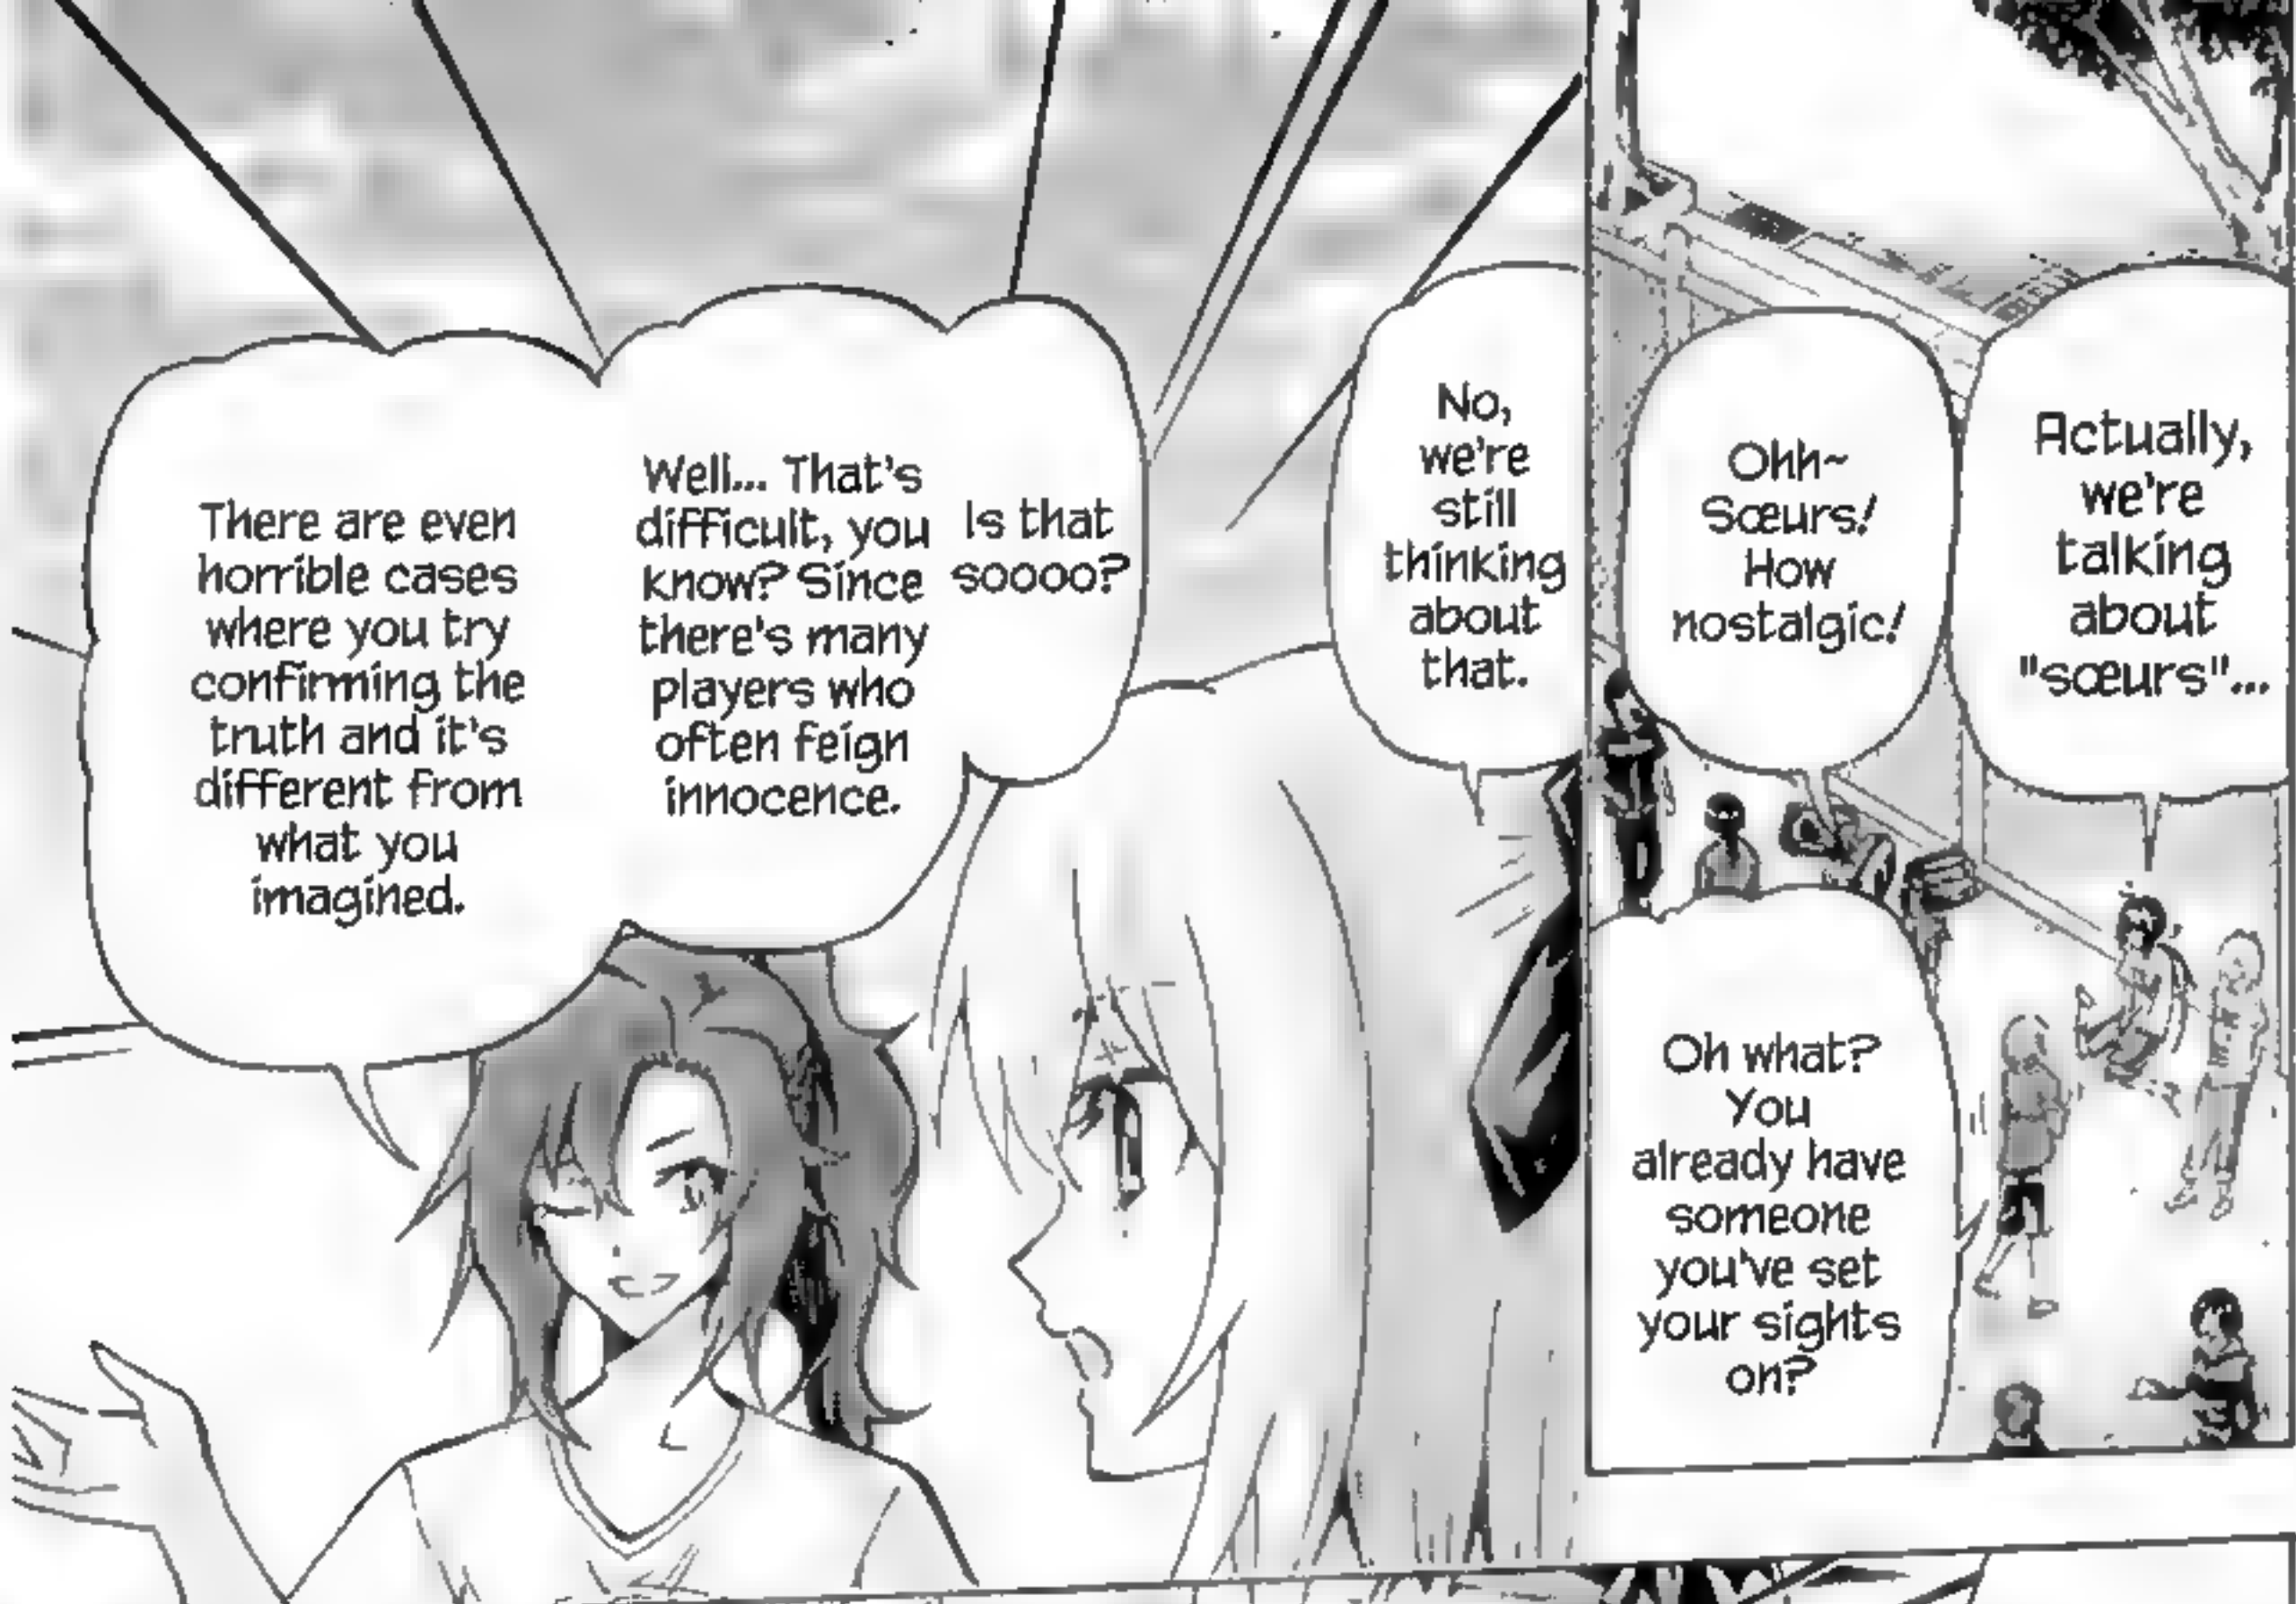

That certainly
makes sense.

...I see.

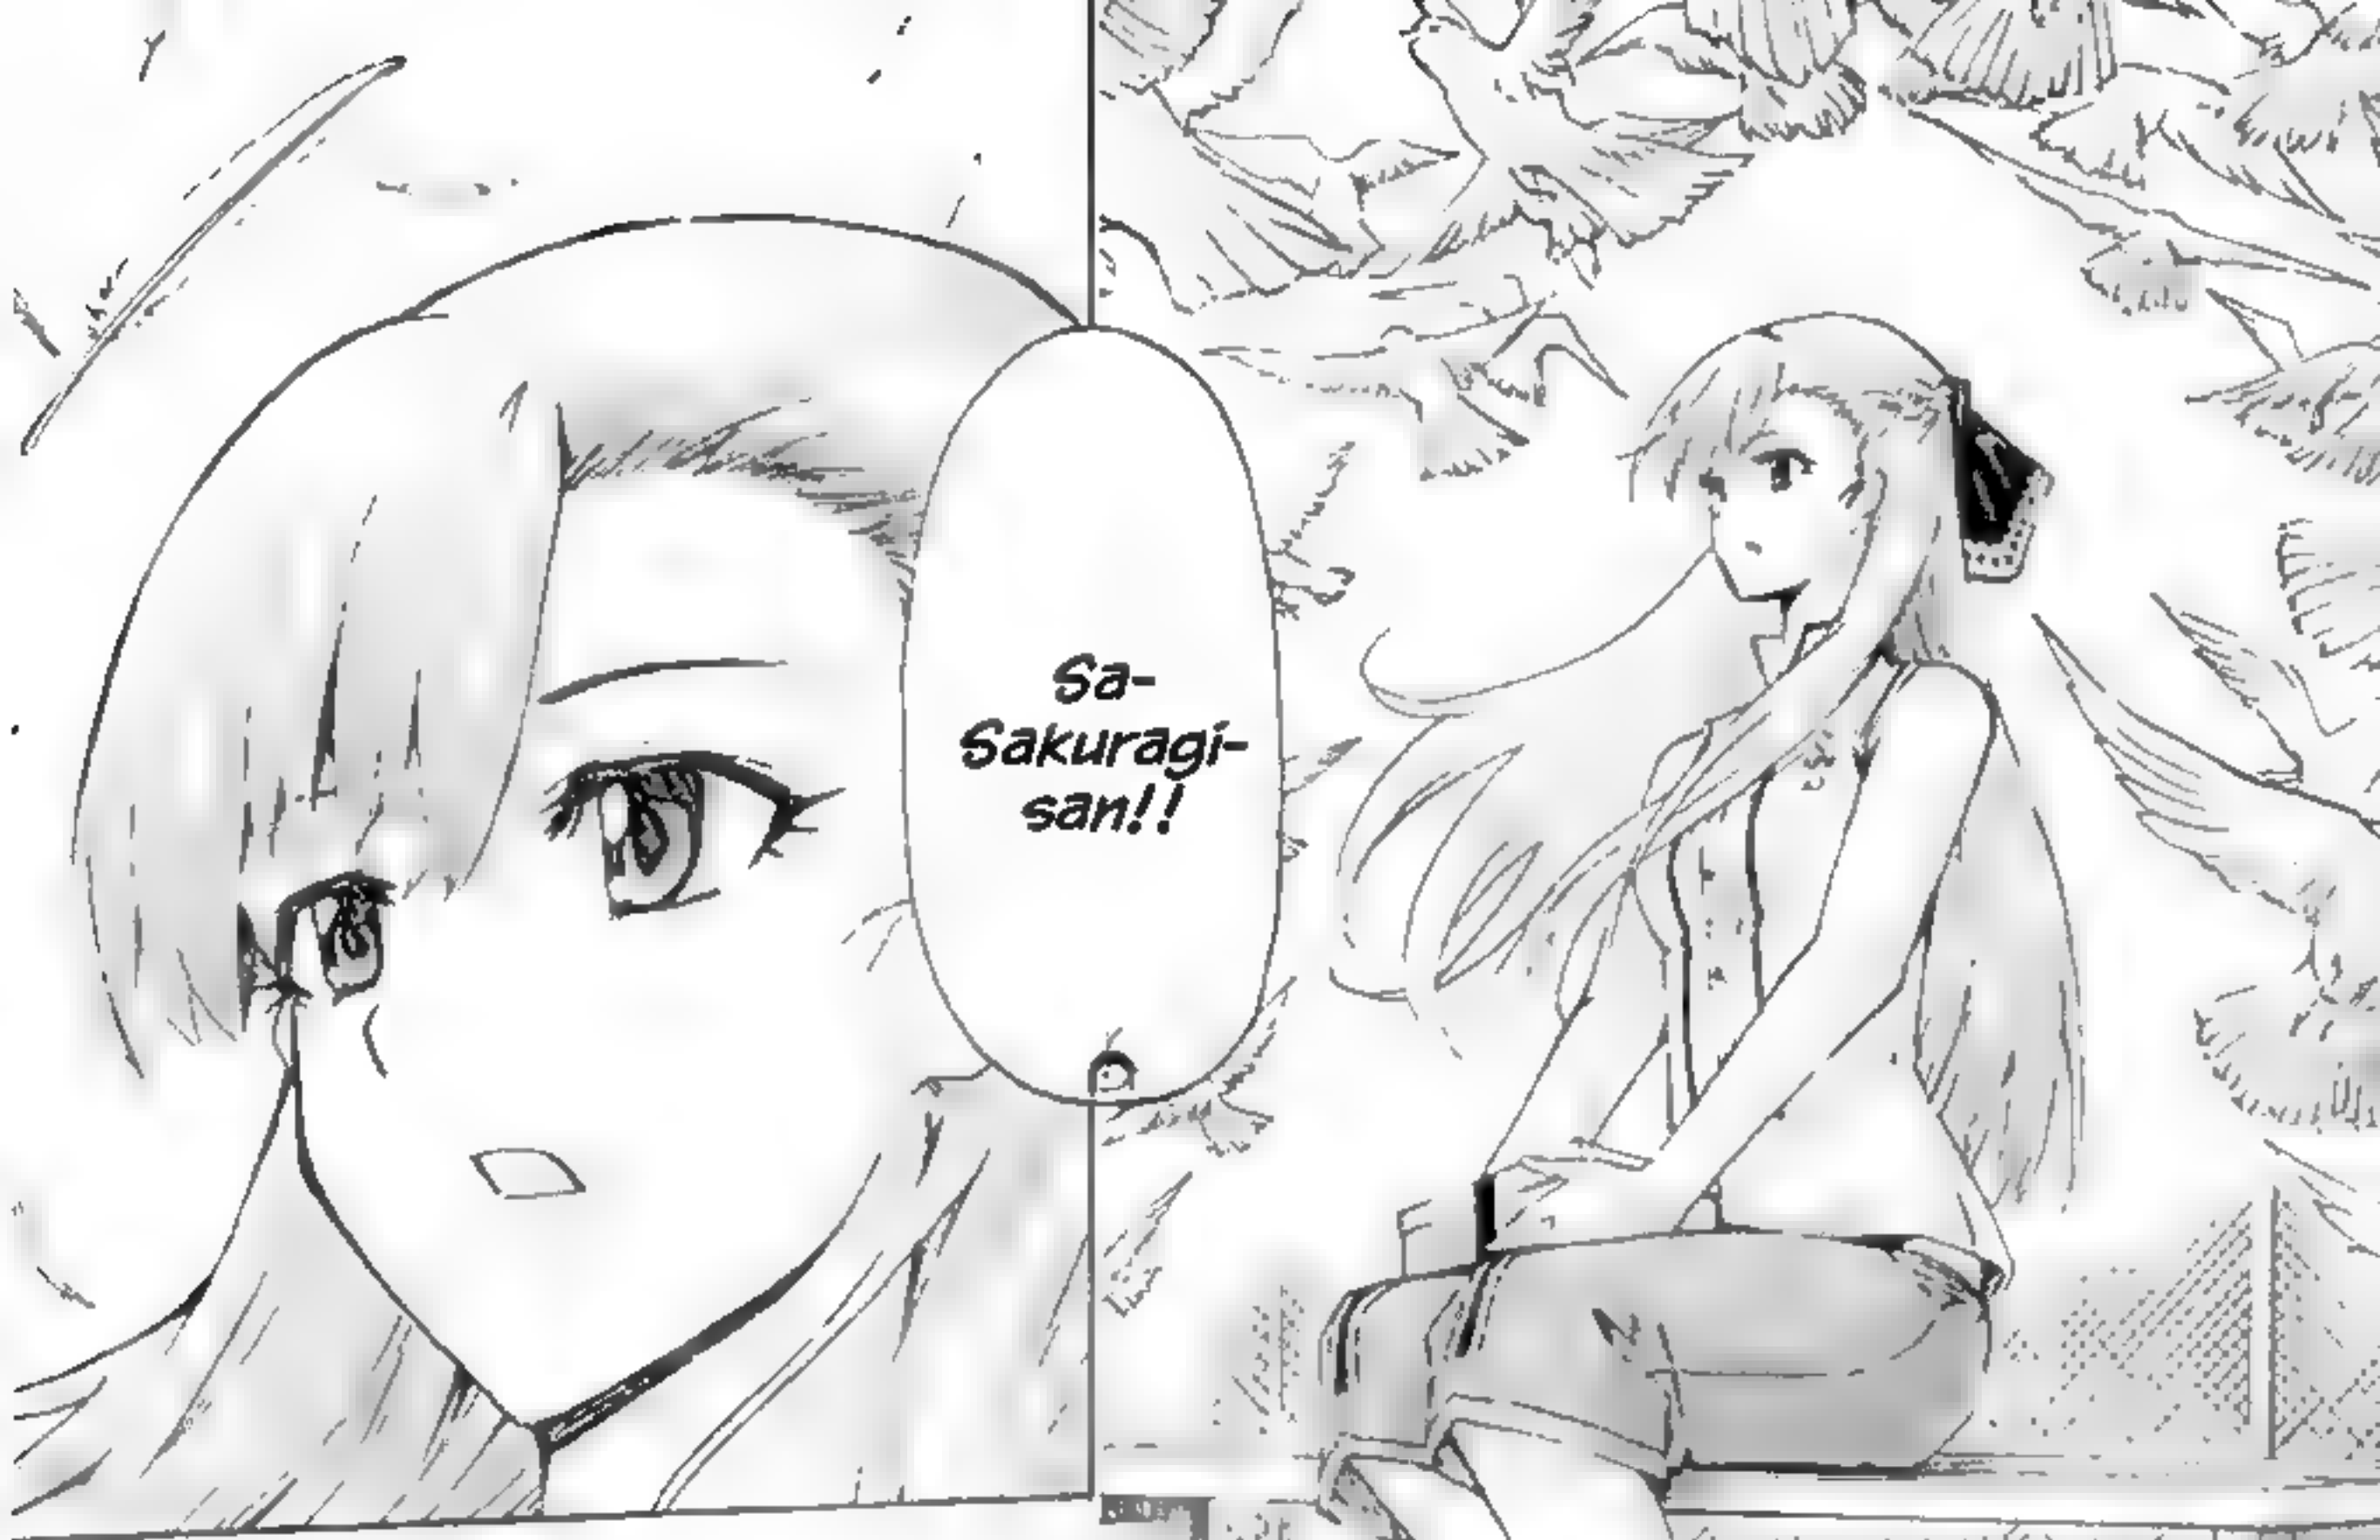

6

Sa-

"Caviar"!?

To think that
caviar would be
this favoured
by doves...

I thought
I'd be
crushed

10 Idiom. The more one says, the more problems it brings to them

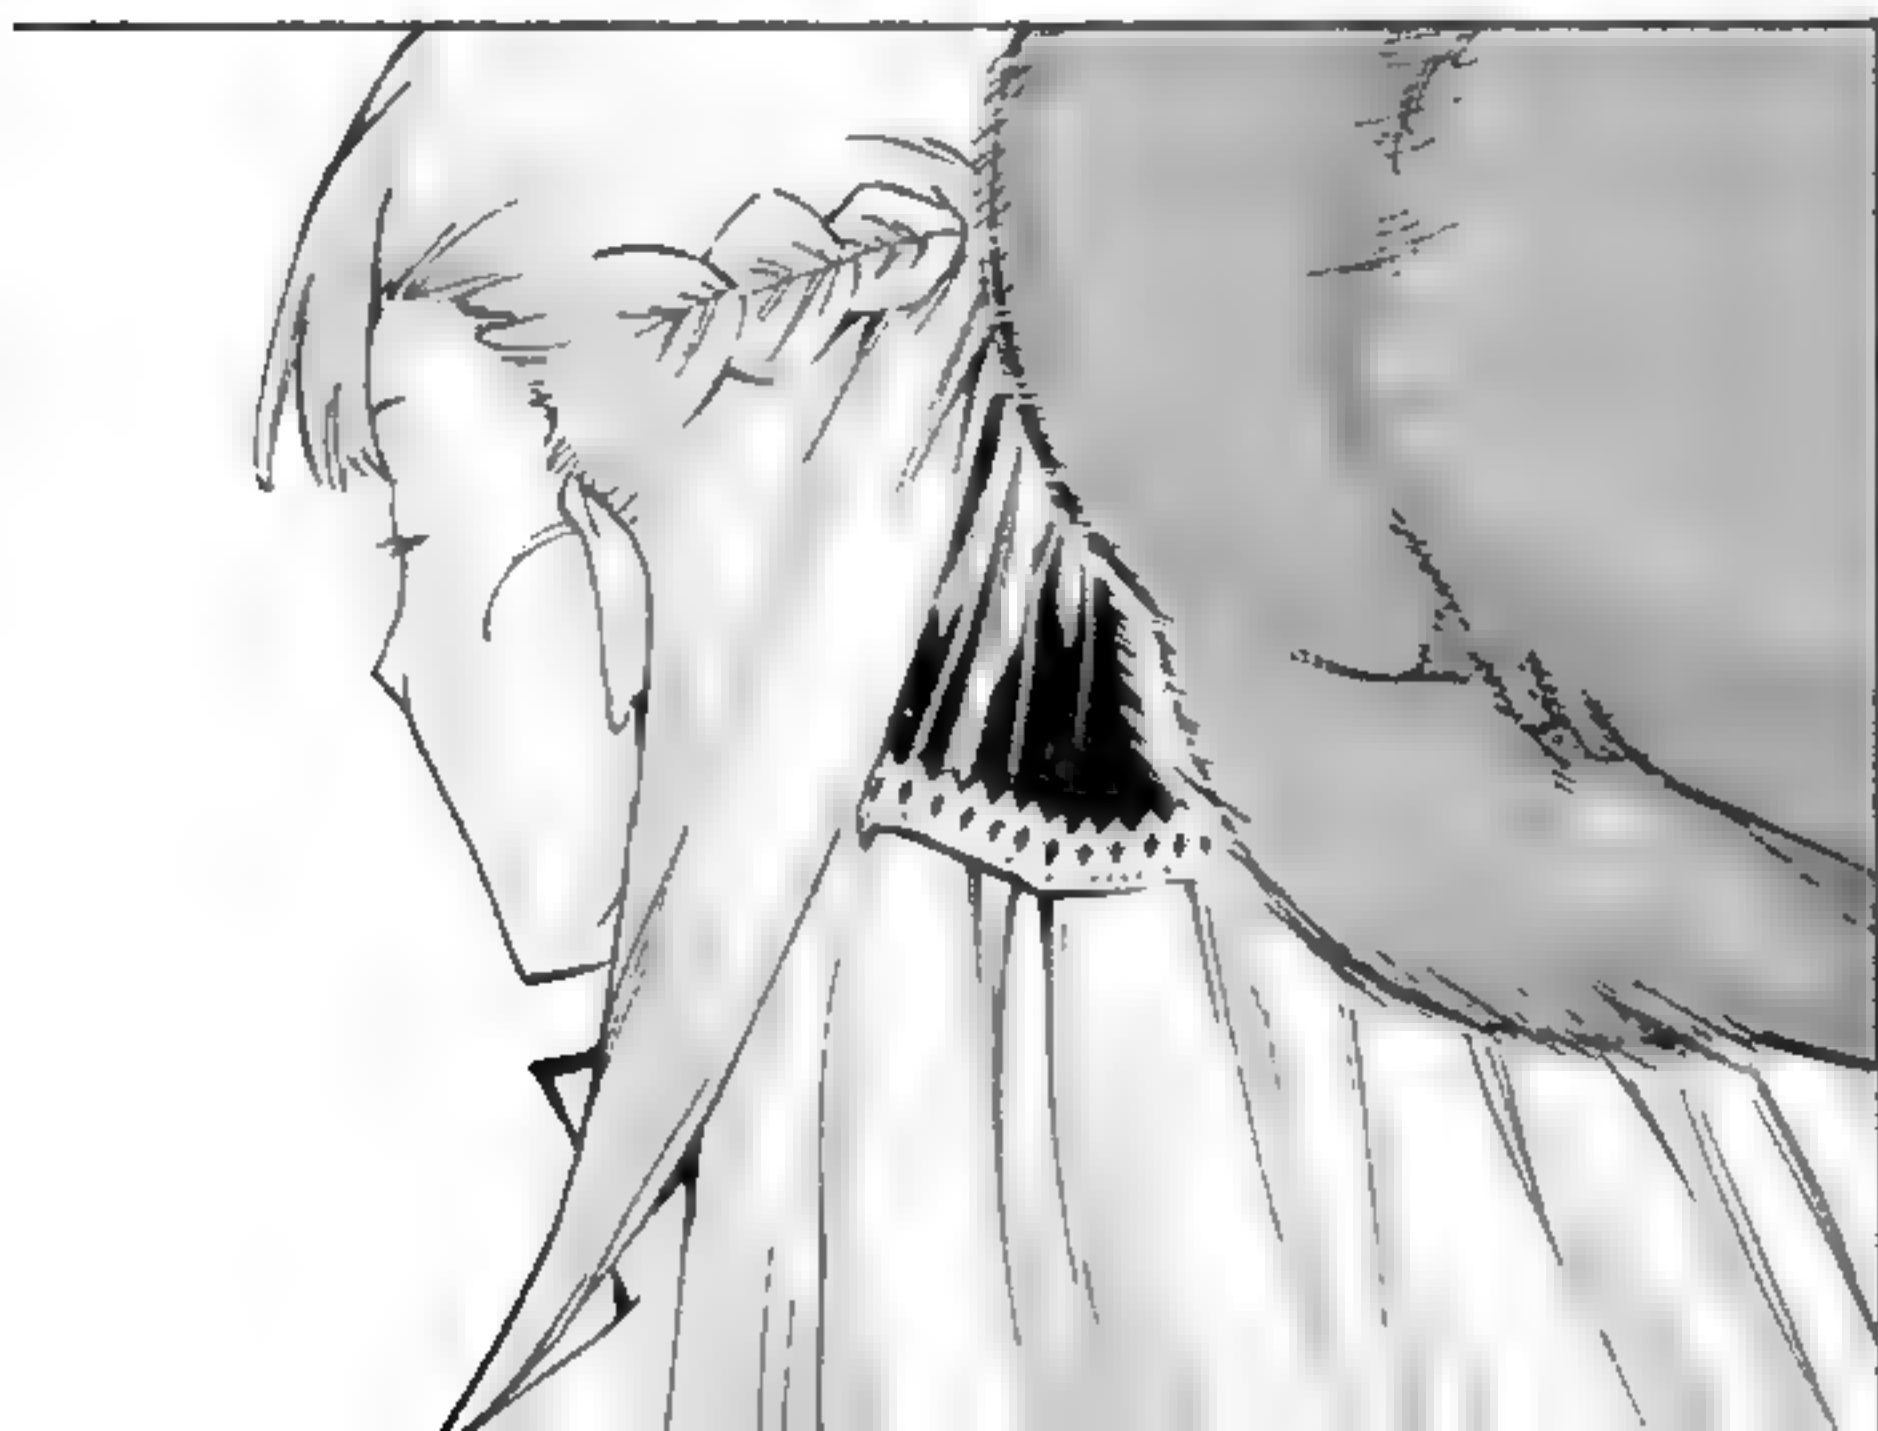

11

レ

What the? This overpowering aura!! I can't attack her while I'm being gazed at!!

It's called intimidation.

She got overwhelmed by Sumire-chi saying "Come if you want to get me!".

Nozomi pulled back!/?

16

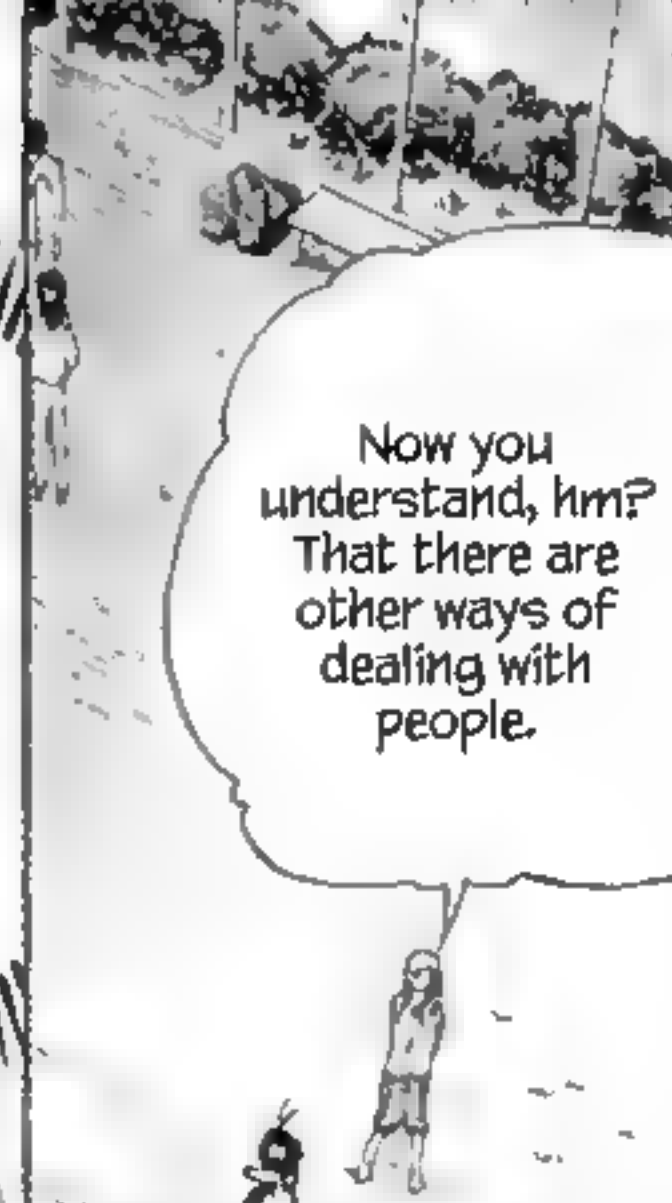

Asses are genuine, so they're unable to thrust at dangerous areas.

"A great ass keeps away from danger."

Note: This is a pun on a Japanese idiom which was originally "a wise man keeps away from danger"

is
amazing!

Now you
understand, hm?
That there are
other ways of
dealing with
people.

...Yes.

I-I knew
it, this
grl.

How should I
say it? It's like
she can totally
see through
everything that
I'm lacking.

Even when I
first met her,
she merely
glanced at me by
accident yet was

me relevant
advice from
that...

who I'm
looking for.

worthy
of my

Direct Talks!!!!

I don't recall
promising
that I would
train together
with you.

...What are
you girls
talking
about?

Well,
that's
true,
but...

You see,
that girl
over
there-

!

See... I was
wondering
whether it would
be possible for
you to mentor
me on lots of
stuff today
too, if you
don't mind.

I apologize, but
just watching
Sakuragi-sensei
as she practices
won't do me
any good, so... I
unintentionally...

3

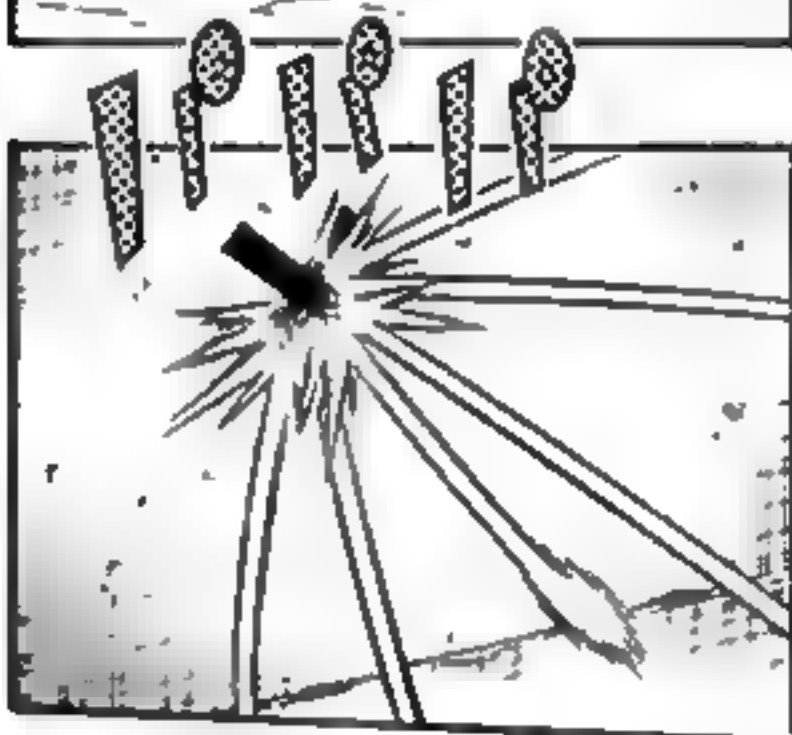

Wait
up-

Ah!

Farewell,
everyone.

...I'm sorry,
but I'd like to
concentrate
by myself.

"Sakuragi-sensei"...

Well it's expected, you know? There aren't that many players with such sharp asswork who are Infighters.

She's hitting such a tiny target with that small and light ping pong ball, non-stop...

What amazing control!

4

Ooh~ You're on the right track, I think.

She tightly grasps it in the center of her ass, and then...

Hmm~ It doesn't look small to me though.

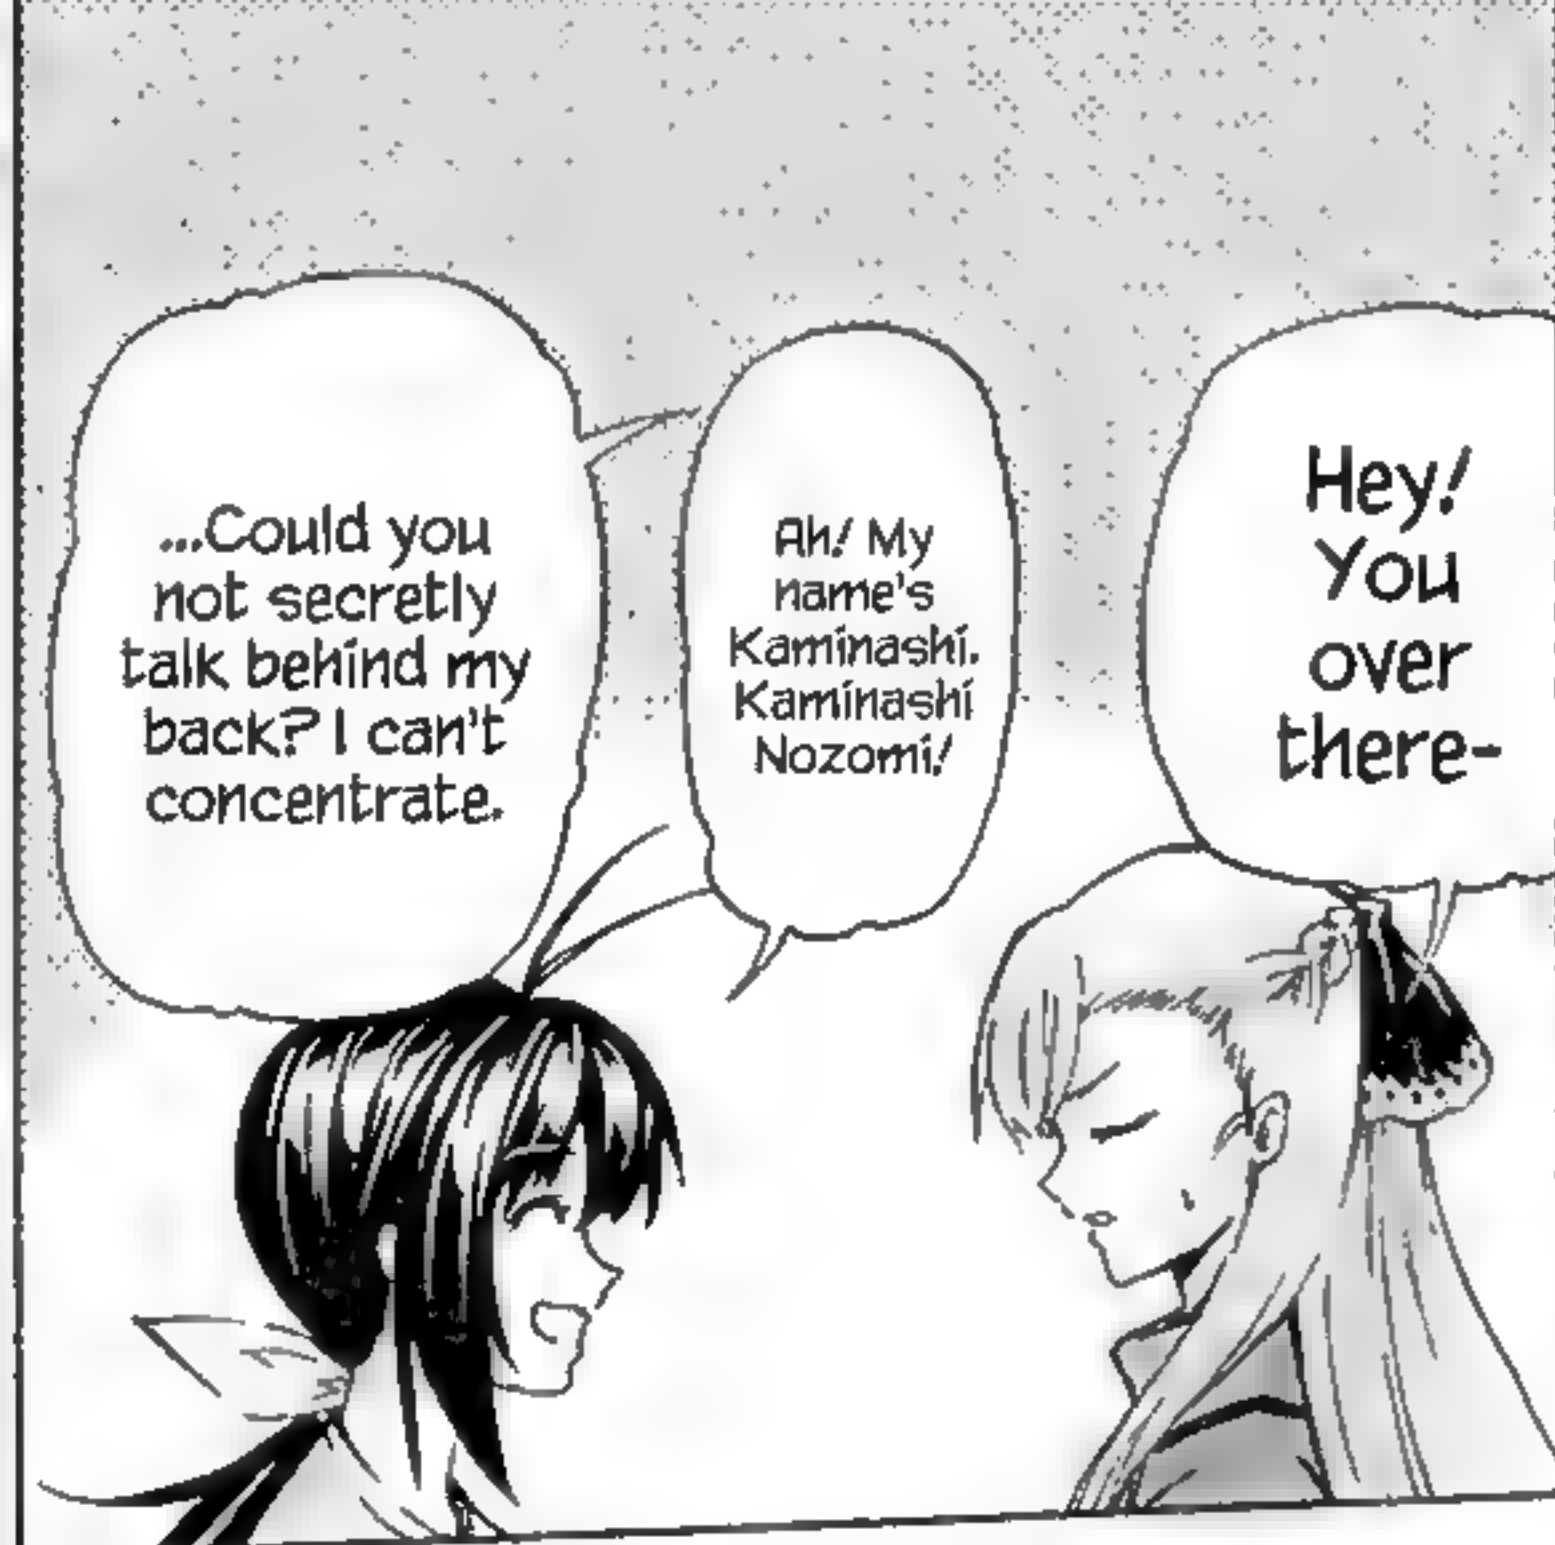

Just what trick is she using...? Is her operability good because of her small ass?

Then I guess...

"Something you're intrigued about"?

So-sorry... There was something I was intrigued about, so I unintentionally-

...Could you not secretly talk behind my back? I can't concentrate.

Ah! My name's Kaminashi. Kaminashi Nozomi!

Hey! You over there-

Actually, it has to do with your practice just now, but...

Somehow, it feels like she's giving off a nice expression, like she used to.

Ahaha, that is how Sumire-chi is, since she has a strong sense of responsibility.

Oh my, oh my, she fell for Kaminashi-san's pace and is giving her advice again.

But, it's a nice feeling, no? Now she's made a connection with Kaminashi-san...

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years.
If you love my releases, please consider donating at KireiCake.com to support our livelihood.

"Demise"?
Eh?
That's...

Eh?

*It will
be your
demise.*

8

Is
that
so?

Yep, she was
like Kami-
nashi-san,
actually!

Ehh~
Sakuragi-
san was!?

She
wasn't like
that in
the past,
though.

Sorry
about
that~
I kept
saying
things I
shouldn't
have.

It's
okay...

Thus, when she debuted, both we and the fans had high hopes for her.

That girl transformed.

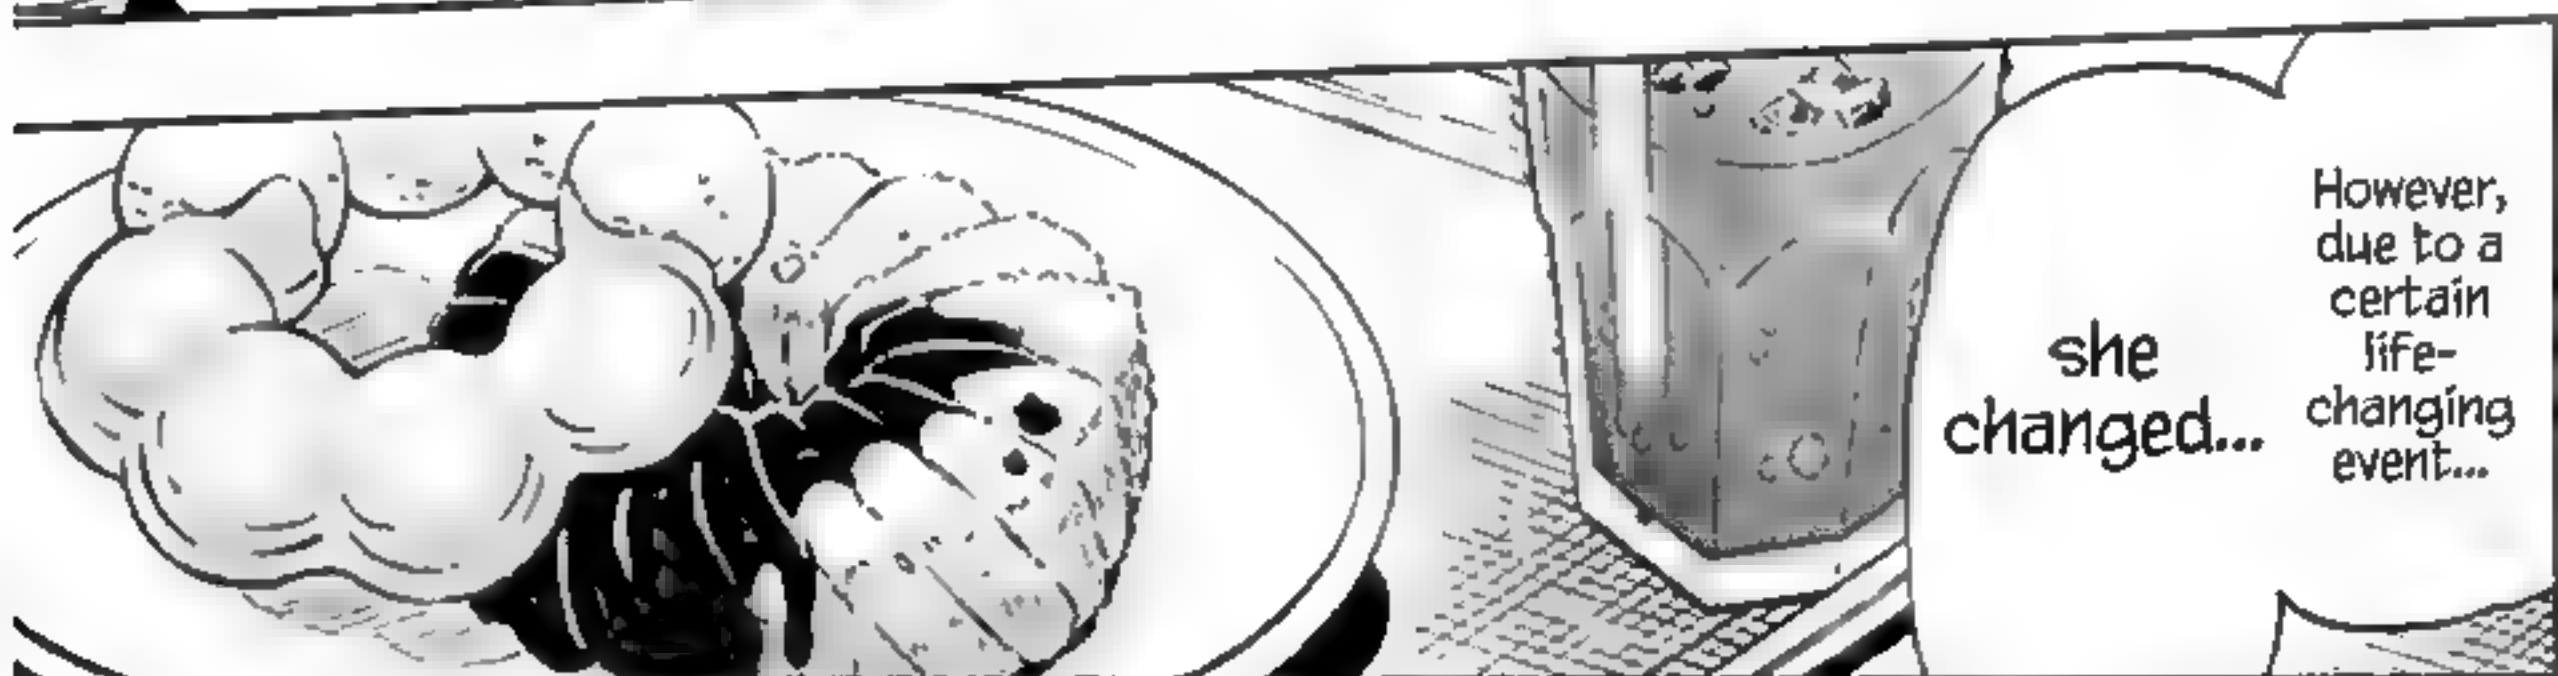

Just like you two are doing now.

and since she had ability, she'd always be the center of the circle...

Cheerful and thoughtful of others,

She pulled everyone towards her... She'd tell them, *"Let's spark up the Western Keijo World!"*!!

she changed...

However, due to a certain life-changing event...

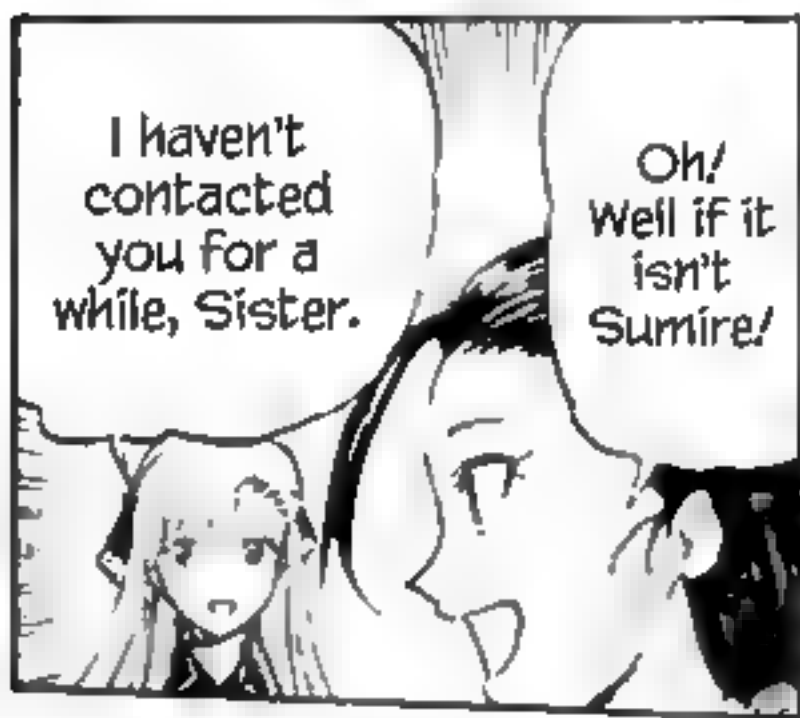

She had an older sister she revered, you see.

A "life-changing event"?

10

*Ass
myor-
rhexis?*

Plus, she never cuts corners for the amount she trains... She couldn't get her older sister to be her training partner.

Sumire-chi's a woman of outstanding character...

Yeah! She can't put any power into her ass anymore because of excessive assercise.

She "felt pressured from the expectations of her peers,

which in turn caused her to break her older sister."

She's been regretting it ever since...

She thought it was "her fault."

ッ...!?

PRESS

She'd refuse even if you asked her to train with you,

and she'd refuse any juniors looking to become scours with her...

And, because of that isolation...

That's when she started to change.

She would frequently avoid people and keep to herself...

She gradually started to lose...

12

And, if she goes overboard again, somebody might get hurt.

I'm sure it's scary for her... to have overly high hopes from her peers...

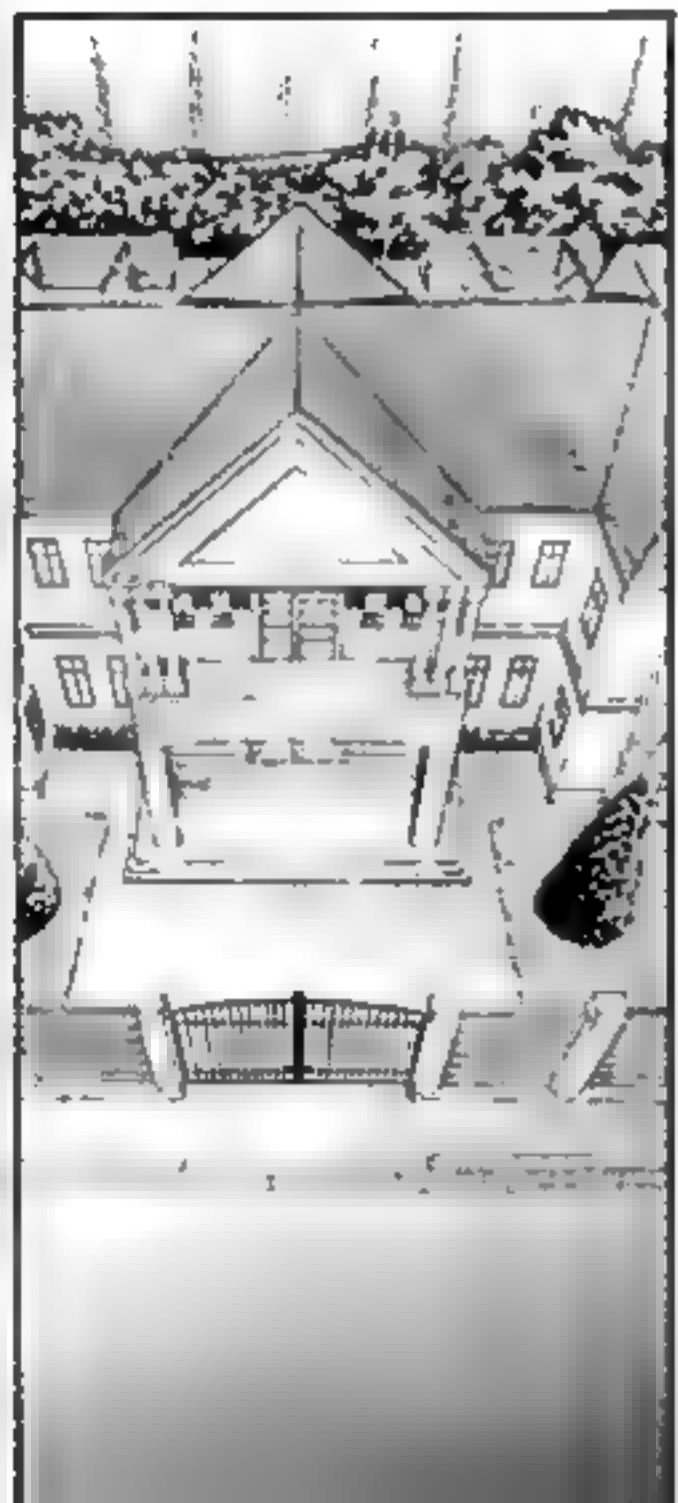

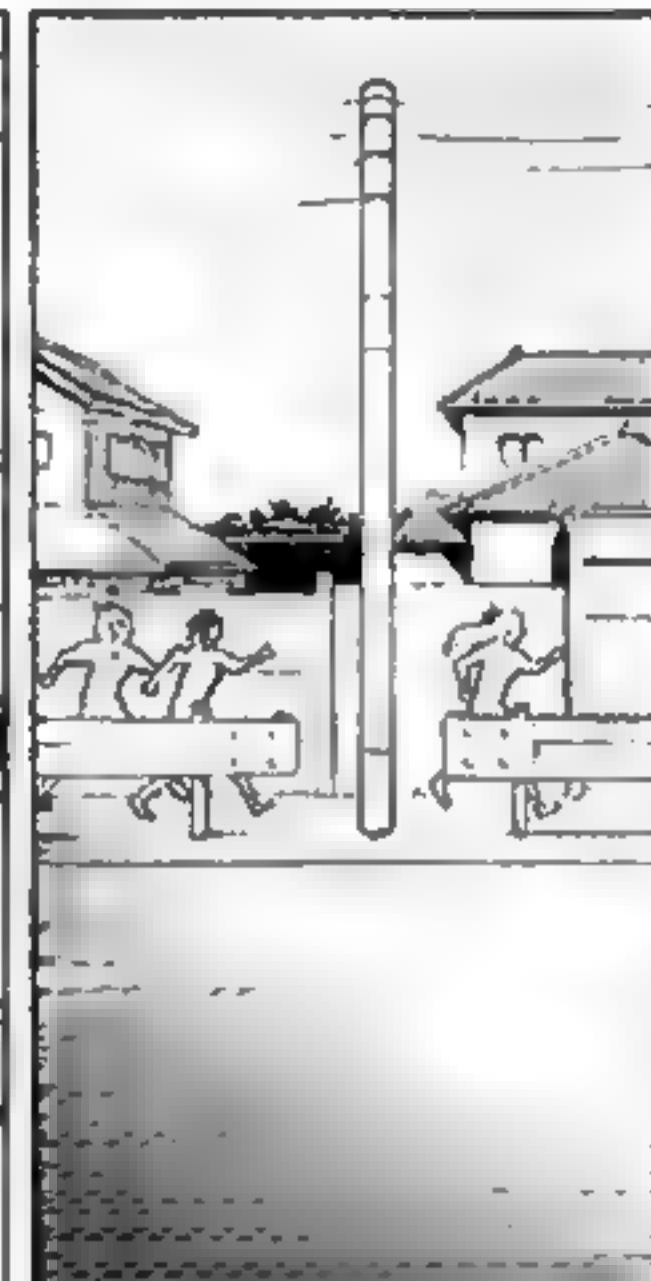

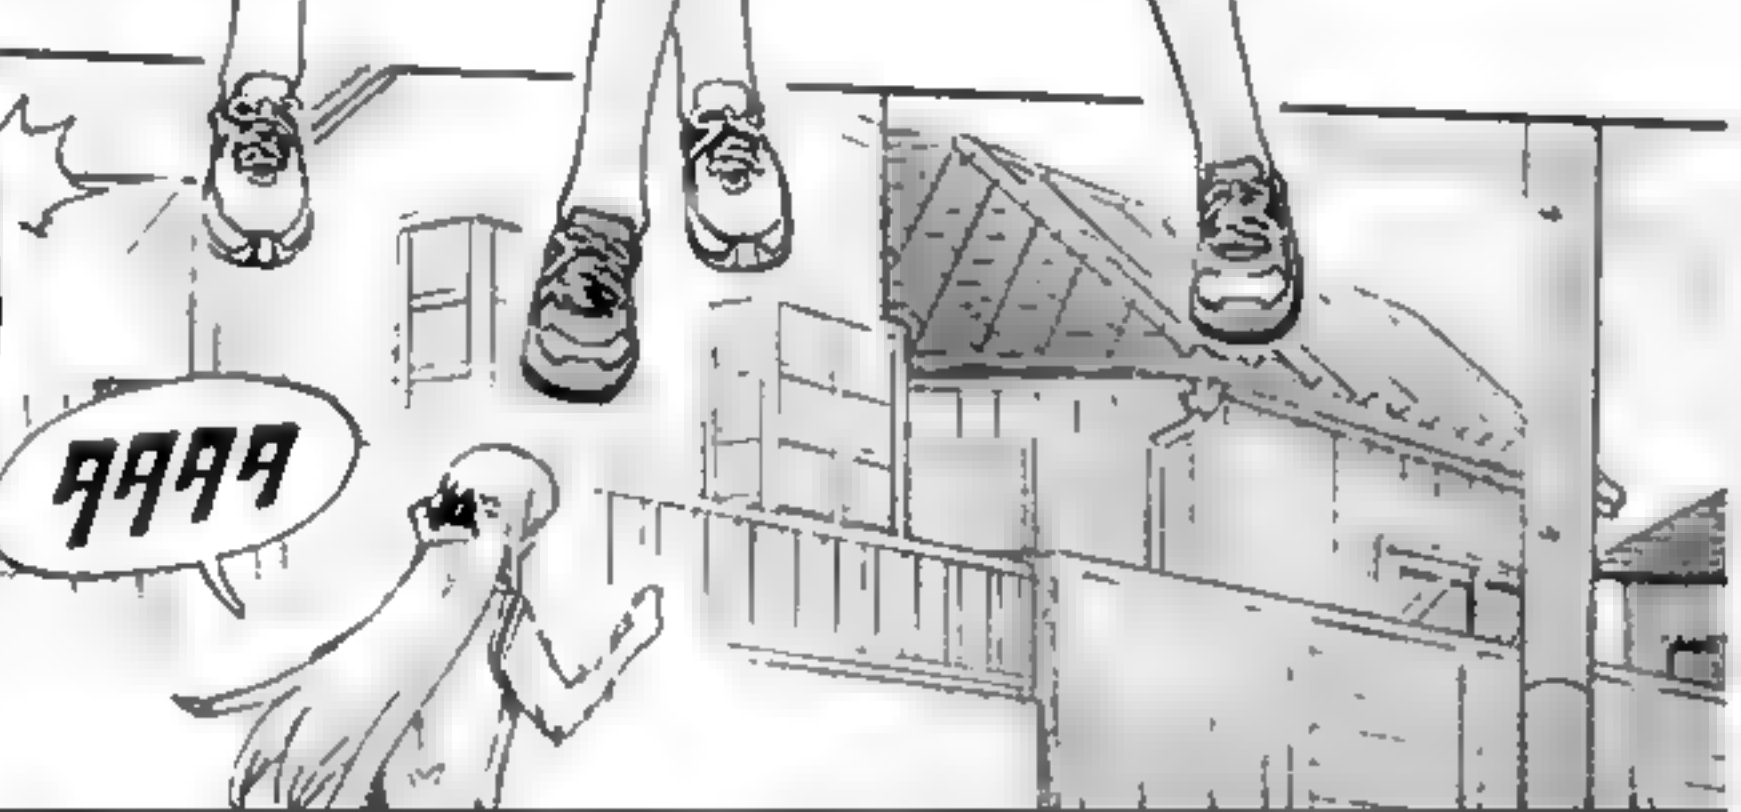

If you aren't ready to be fully committed, you can't become sœurs with her!

to at least be able to put up with her character and nature!

However, I wonder how long they'll be able to keep it up.

As expected of these newbies who just won in the east.

You're keeping a steady form without losing your pace... Haa...

I knew it, pros going on runs are totally different!

Haa... Haa... I guess the run's finally over?

That wasn't at the pace of a warmup...

15

Nowhere else in particular. We're doing it here.

Eh? Here...

Well? Where will we train next?

*At a
sumo
class!?*

Please
treat me
well today,
as well.

Ooh~ Welcome!
Sumire-chan,
you outdo
yourself for
coming every
day.

16

I called up
many of
them for you
today too,
Sumire-chan.

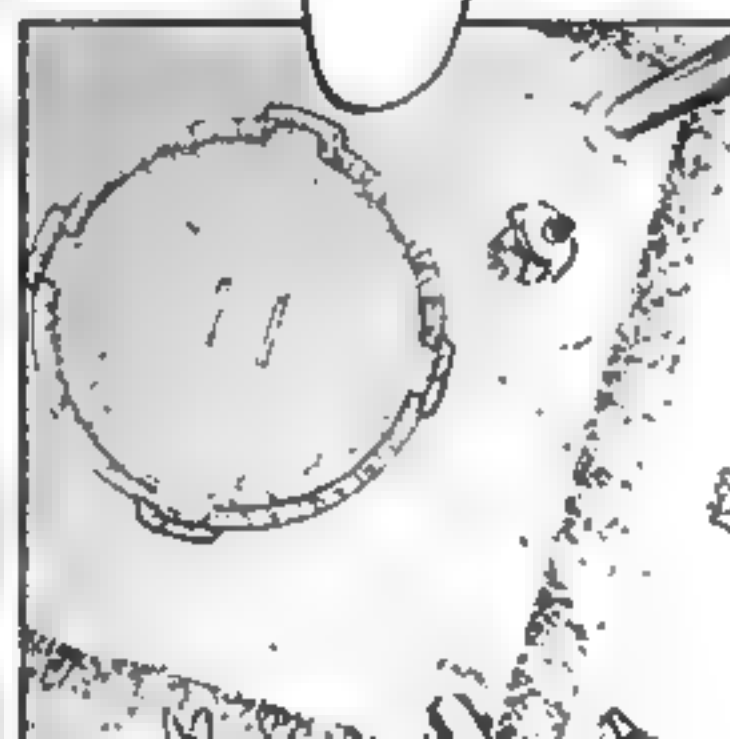

It
can't
be...

Eh? Eh?
What's
this...
What's the
meaning
of this?

Thank you
very much

I see... It's like Shinonome-san said.

...He seems to be losing happily...

Ah!
Um...

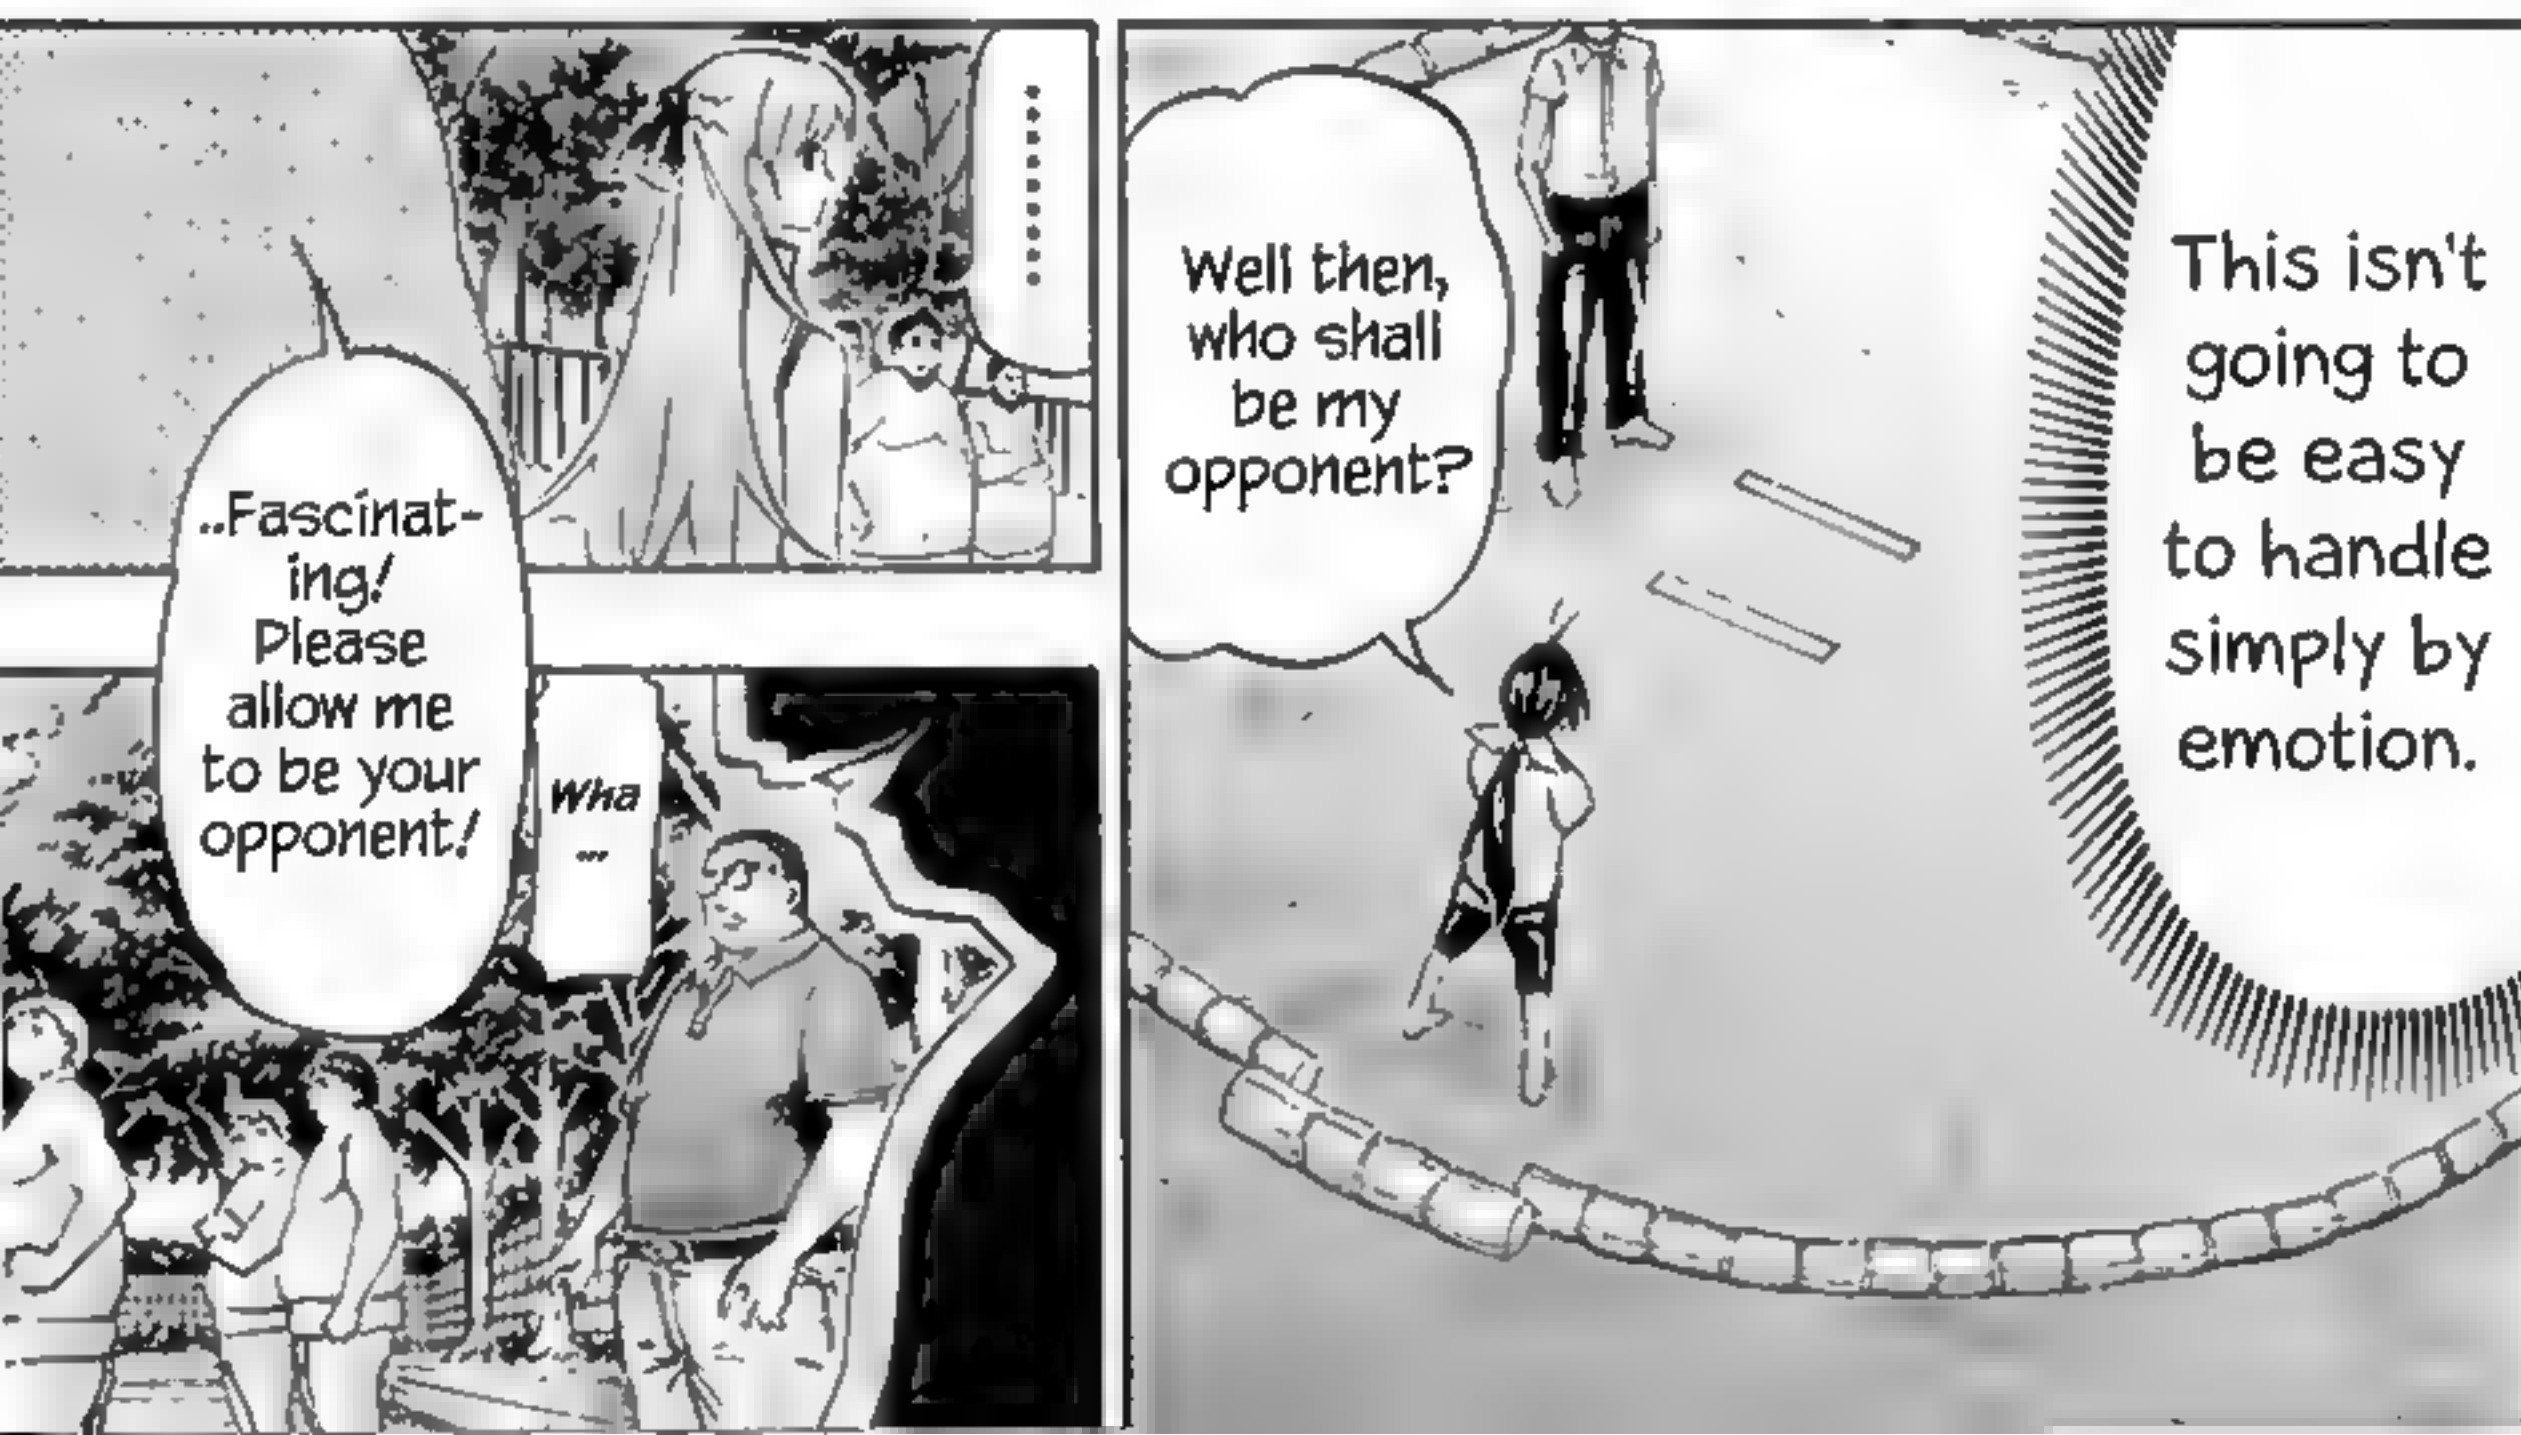

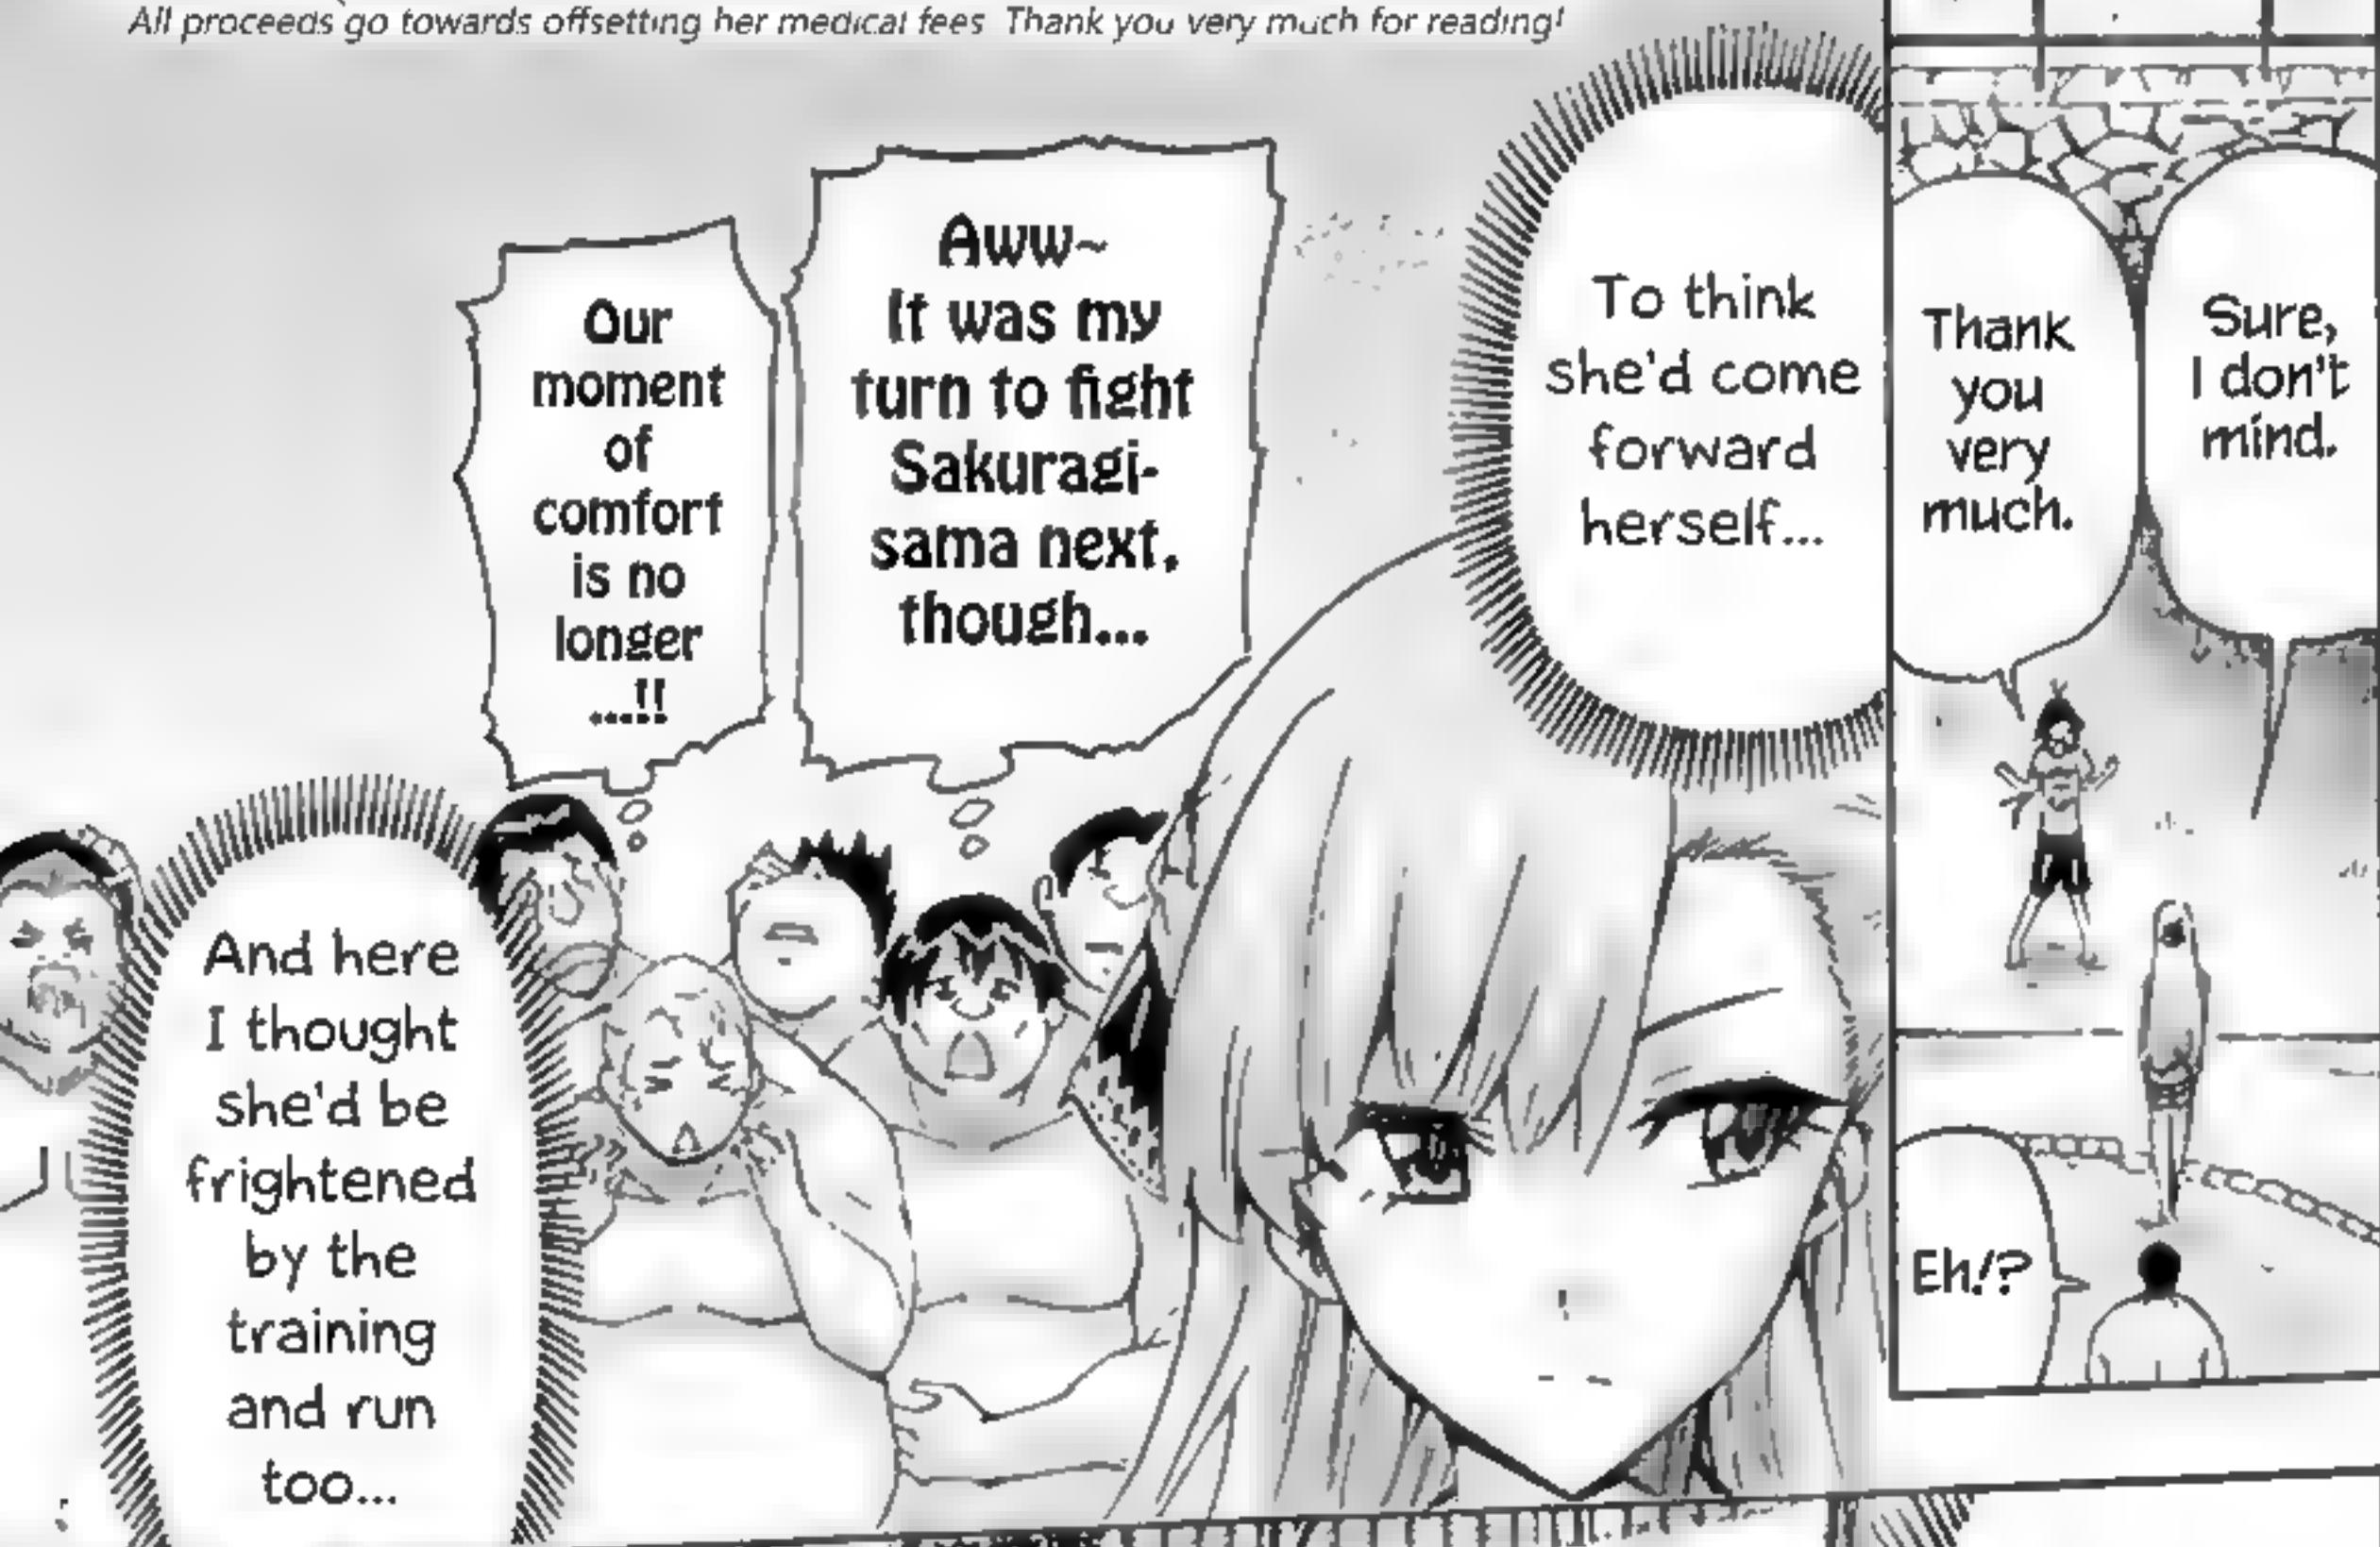

8

If I wait now there won't be a tomorrow!!

Could you... let me go next?

I
need to

too!!

Damn it...
It's too
dangerous

I also heard it's impossible to hit him with your ass.

Back when he was a student he would keep getting called out from the stables for his outstanding talent, but he would never fall down in the arena. They dubbed him "Tachisugi Who Stands Too Much".

You know, she's at a disadvantage with Tachisugi-san as her opponent.

Ara ara, they're all getting blocked..

Nozomi !?

Heh, pros do move well after all!

However, you've still got a ways to go!

14

Alright! The lower right

If you keep staring at me like that, you'll keep giving away where you're attacking next!

Your step-ins are early, and your speed is lacking... But above all .

She wanted
me to show

It dawned
on me when
Sakuragi-san,

brought you
